| The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did<br>On 10/25/2020 at 2312 hours I conducted a traffic stop on a black 2019 Jeep SUV, FL tag LYPM50 after I observed that the vehicle had no lights on(at night) as it traveled eastbound on Azeele St W from MacDill Av S. Upon contact with the driver of the vehicle, defendant Alexandra Lauren Fernandez, I observed that she had bloodshot glassy eyes. Then as I explained to her why I had stopped her I detected a distinct odor of an alcoholic beverage. The defendant then admitted to having "one drink". The defendant then exhibited additional signs of impairment during the SFSEs. At which time I placed her under arrest for DUI based upon all of my observations made thus far in my investigation. The time of arrest was 2327 hours. I then transported the defendant to the HCSO/CBT Facility where she refused to submit to a breath test. Implied Consent was read at 0000 hours. I identified the defendant with a valid FL DL. She was the only one in the vehicle. |                                                            |                                             |                                                    |                                                                                                                                    |                                                    |                                                                                        |                  |
| Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                              |                                                            |                                             |                                                    |                                                                                                                                    |                                                    |                                                                                        |                  |
