D.U.I. PROBABLE CAUSE AFFIDAVIT

ON THE 04 DAY OF June 2021 AT 10:53 ☐ A.M. ☒ P.M.

CASE #: 21-028240

DEFENDANT: RANDOLPH, AUDREY JANE

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

While in the area of 3500 S. SR 5 (Federal Highway) I observed an unknown vehicle at the time (later learned to be a 2014 Hyundai Sonata bearing Florida tag JHDL42) traveling northbound on S. SR 5 with the passenger side headlight inoperable. This incident occurred within the City of Boynton Beach, Palm Beach County, Florida. Due to the traffic infraction I conducted a u-turn and proceeded behind the vehicle in an attempt to conduct a traffic stop. As I approached the vehicle I noticed that it was traveling at speeds greater than the posted speed limit (40mph). I estimated the vehicle to be traveling at 55mph. Utilizing my in-dash mounted Stalker Radar unit (DB007751, KC122791) I received a reading of 53mph. The vehicle then entered a u-turn bay and as southbound traffic was approaching the vehicle's location the driver proceeded to make a u-turn. At that time, I activated my emergency lights and sirens to conduct a traffic stop. The driver failed to quickly slow and stop but rather continued southbound on S. SR 5 then entered the north entrance to the Seabourn Cove Community. Still while entering in the community I had to activate my siren horn to gain the driver's attention to stop. At that moment the driver stopped the vehicle. From the location I activated my emergency equipment to where the driver finally stopped was approximately 700 feet.

I then made contact with the driver/sole occupant of the vehicle W/F Randolph, Audrey (03/28/94). I quickly checked on Randolph's welfare due to the fact that she failed to slow and stop a reasonable distance. Randolph advised that she has really bad eye vision and that she did not see me behind her. Randolph admitted that she should not be driving at night time. I asked Randolph what was wrong with her vision, which she stated that she has an astigmatism and that when she see a lot of lights it stresses her out. While speaking with Randolph, I noticed that her speech was slurred and that her eyes were bloodshot/glassy. I also detected the odor of an unknown alcoholic beverage emanating from Randolph's breath, which intensified as she spoke. Randolph advised that she was tired and shouldn't be driving. As Randolph was looking for her proof of vehicle insurance she was very distracted with items within the vehicle and concerned about neighbors seeing her stopped by the police. After approximately 4 minutes of still looking for her insurance information in her phone, Randolph stated that I was stressing her out. Randolph then looked up at me and stated "I had a couple of drinks, okay?" Randolph advised that she was coming for Sweet Water (local brewing) and while there she had two glasses of wine. Randolph advised that she thinks that the glasses of wine has a lot more then she thought and that could feel the effects the of the wine. Randolph's lips were still stained

from the red wine that she had consumed. Randolph advised that she has a lot of problems with anxiety. Randolph advised that she takes Adderall but thinks her doctor has given her the wrong dose. At this point of my evidence I requested Randolph to exit her vehicle. Randolph was very emotional and wanted a minute to calm down before doing so. Randolph then attempted to put her vehicle in park, which it was already in park. Randolph then exited the vehicle and started to cry again. Randolph leaned on her vehicle for support. Randolph was very paranoid, at one point she thought the flashlight I was holding in my right hand was my handgun. I then had Randolph walk to the rear of her vehicle. I explained my investigation to Randolph, which her mood changed from emotional to upset. I then requested Randolph if she would be willing to submit to a series of Standardized Field Sobriety Task, which she stated. Randolph proceeded to state that this has happened to her before and felt that she was mistreated. I explained to Randolph her Taylor Warnings, which eventually she stated that she understood. Randolph advised that she never refused to submit to the roadside and that I was putting words in her mouth. I then asked Randolph a second time if she would be willing to submit to the roadides, which she wouldn't give me a yes or no. Randolph was very argumentative. After requesting Randolph numerous times if she would submit to the roadides, she still would not provide a yes or no. Due to Randolph's behavior I consider it as a refusal. Therefore, Randolph was placed into handcuffs (D/L and Spaced) and arrested for suspicious of DUI.

I then spoke with Officer Posey, who was on scene as a backup officer. Officer Posey advised that while he was standing at the passenger front door to the vehicle he observed an empty 187ml Woodbridge Cabernet wine bottle.

Randolph was then placed in to patrol vehicle (4734) and transported to the Palm Beach County BAT facility. I arrived at the facility at 0015hrs, started my 20 minutes

observations at 0020hrs and completed it at 0040hrs. Upon completion I requested Randolph to provide a sample of her breath to determine the alcohol content, which she refused. I then read Randolph Implied Consent, which she eventually stated that she understood. I then read Randolph her Miranda Warnings, which she stated that she understood. Q&As were not completed.

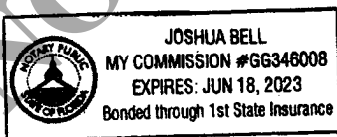

Based on the facts, Randolph was charged with Driving Under the Influence pursuant with F.S.S. 316. 193.1.A. Randolph was processed and later TOT PBCJ. Randolph vehicle was removed from scene by Becks' Towing

Nothing further.
