The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 04-09-2021 at approximately 1805 hours, your affiant observed an operator of a vessel (FL6043SN) in violation of F.S.S.327.33(2) (Careless Operation Of A Vessel) along the Alafia River just west of the Hwy 41 S Bridge; within Hillsborough County. Your affiant conducted a vessel stop for the above stated violation and for the purposes of completing a boating safety inspection. Your affiant did not observe any boating safety inspection decal(s) affixed to the vessel. Upon stopping the vessel, your affiant made contact with the operator/defendant who was standing at the helm of the vessel. During contact with the defendant, your affiant observed him to have blood shot watery eyes, slurred speech and the distinct odor of an alcoholic beverage coming from his breath. There were also several open alcoholic beverage containers aboard the vessel. The defendant also used the sides of the vessel to brace himself during the safety inspection. The defendant also forgot to provide some of the required USCG safety equipment when asked. Your affiant requested the defendant to perform Standard Field Sobriety Tasks (SFST's) to determine if he was fit to operate the vessel. The defendant refused the SFST's multiple times. Based on observations of impairment, your affiant placed the defendant under arrest for BUI. The defendant was advised of Florida Implied Consent. The defendant stated he understood and refused to provide a breath sample. The defendant was identified verbally and via Florida DL: G-536-004-94-365-0.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
