The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did

On 10/5/2020, the defendant was observed smoking suspected marijuana from a glass bowl/pipe along the Tampa Riverwalk just North of the Kennedy Blv bridge. During the investigation (TPD case #20-460060), the defendant claimed he had no identification on his person. A search of his person after an admission was made that the substance was marijuana, was not hemp, and was not medicinal, revealed that he was in possession of a Connecticut driver's license which contained a different spelling of his name and a different date of birth than what he provided. When asked about the different information observed, the defendant stated "it's fake" while referring to the identification found on his person.

A NCIC/FCIC query showed the defendant to have an active/valid Rhode Island driver's license with ID #40046819.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
