The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did

The defendant was driving a white 2020 BMW SUV (FL TAG #ZAS8K) eastbound on Kennedy Bl W approaching downtown at 52 MPH (paced for several city blocks in my calibrated police vehicle). This area is a posted 30 MPH zone. While pacing the vehicle, I also observed it to weave back and forth within it's lane the entire time. During the traffic stop for the speeding infraction and the additional suspicious driving patterns, the defendant was identified via a FL DL and exhibited several clues of impairment, to include: Watery/bloodshot eyes, blank/dazed stare, avoided eye contact, was confused with paperwork, disoriented, was wearing 2 paper nightclub wristbands, admitted o drinking "1 or 2 drinks" (alcoholic) while in Ybor City, and emitted a distinct odor of an alcoholic beverage form her breath. When asked to perform SFSEs, she seemed reluctant and stated that she would refuse, despite being warned of potential consequences. Based on the totality of the circumstances, the defendant was arrested for DUI. While at CBT, she was read Implied Consent, and refused to provide a breath sample.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
