V. Other information Relating to BUI  
Vessel: 2017 32' Blue Contender FL0335SK twin 300 hp Yamaha outboards

VI. Details of BUI

A. Initial Observation of Vessel:

On October 10, 2020 I, Officer Ronald Stoker and Officer James Brodbeck of the Florida Fish and Wildlife Conservation Commission were on marked water patrol in Palm Beach County, Florida. I was in the process of conducting a vessel stop in the West side of the ICW just North of the Flagler Memorial Bridge when I observed a light blue center console enter the marked Slow Speed Minimum Wake zone on a plane. Officer Brodbeck initiated our vessel's siren to get the operator's attention, but the operator continued southbound in the marked Slow Speed Minimum Wake zone on plane. I observed the vessel come off plane just under the Flagler Memorial Bridge.

B. Personal Contact with Operator

I initiated a vessel stop on the light blue center console bearing Florida registration number FL0335SK on the ICW just south of the Flagler Memorial Bridge. I made contact with the operator of the vessel, later identified by his FLDL S550113953660 as Mr. Camron Simone. Upon making contact with Mr. Simone, I detected a strong odor of an unknown alcoholic beverage emitting from his breath. When I pulled alongside Mr. Simone's vessel, I observed him drinking a Michelob Ultra. Mr. Simone also displayed a slurred speech while conversing with myself. When asked to produce his identification, Mr. Simone failed to do so and could not locate his wallet. He continuously searched the same bag that did not contain his wallet. While handing me over the vessel registration, he fumbled with the container and dropped the container into the water.

C. Completion of Standardized Seated Field Sobriety Tasks

Horizontal Gaze Nystagmus

Mr. Simone's Horizontal Gaze Nystagmus results are as follows:

He displayed lack of smooth pursuit in both his left and right eye.

He displayed distinct and sustained nystagmus at max deviation in both his left and right eye.

He displayed onset of nystagmus prior to 45-degrees in both his left and right eye.

Finger to Nose

During the instruction phase of the task, Mr. Simone attempted to do the tasks as they were being explained.

Mr. Simone did not tilt his head back at a 45-degree angle.

Mr. Simone opened his eyes while completing the tasks.

Mr. Simone moved his head more than 1" throughout the tasks.

Mr. Simone missed the tip of the nose and did not bring his hand down on the first left.

Report Date / Time 10/10/2020 06:29 PM	Report Number C-0417AB	Case Number/Cad Number FWCS20OFF016960 / FWCS20CAD031892	Reporting Officer Name STOKER, RONALD
Originating Agency ORI FL0488000	Occur Date Time Range 10/10/2020 17:18:26 -	Jurisdiction	Clearance

Mr. Simone did not bring his hand down on the first right.  
 Mr. Simone hesitated and missed the tip of the nose on the second left.  
 Mr. Simone missed the tip of his nose on the second right.  
 Mr. Simone did not display any clues on the third right.  
 Mr. Simone did not display any clues on the third left.

**Palm Pat**

Mr. Simone was unable to follow instructions during the instruction stage.  
 Mr. Simone rolled his hands.  
 Mr. Simone did not increase speed as instructed.  
 Mr. Simone stopped the task before being told to do so.

**Hand Coordination**

During the instruction phase Mr. Simone did not remain in the demonstrated position as instructed and started at the wrong time. When told to begin, Mr. Simone counted out loud one through four as instructed while moving his hands in a step like fashion, but failed to clap three times. He returned his left fist to his chest and he indicated he did not know what to do for the remainder of the tasks. He did not complete tasks two, three, and four. Mr. Simone indicated that he understood the tasks prior to beginning them. I explained the tasks as well as demonstrated them for a second time to Mr. Simone at his request. On the second attempt of the hand coordination, Mr. Simone did not display any clues.

**Arrest of Operator**

Based upon clues indicated by completion of the SFST's, as well as other physical indicators and evidence located in plain view inside Mr. Simone's vessel, I placed him under arrest for boating under the influence. Mr. Simone was then transported to the Palm Beach County Jail at Gun Club where he provided a sample of his breath to determine the alcohol content which yielded sampled results of .137 and .136 g/210L of breath.  
**327.35(1)(c)- OPERATING A VESSEL WITH AN UNLAWFUL BREATH ALCOHOL LEVEL OF .08 OR HIGHER.**

Additionally, I issued Mr. Simone a written warning for violating the slow speed zone surrounding the Flagler Memorial Bridge.

**Disposition of Vessel**

Following the arrest of Mr. Simone, his vessel was left at the West Palm Beach Town docks, at the request of the vessel's registered owner, Mr. John Simone FLDL S550430561490. I spoke with the owner via telephone and he stated he would be there in ten minutes to pick up his vessel.

On Saturday, October 10, 2020 at approximately 1700 hours, I, Officer James Brodbeck, along with Ofc. R. Stoker, were on marked vessel patrol in the marked Slow Speed zone at the Flagler Memorial Bridge in West Palm Beach, Palm Beach County. While concluding a vessel stop, a light blue center console with twin Yamaha outboards, approximately 5-6 occupants, and a "TRUMP" flag flying from a central location on the rear of the vessel's hard top rocket launchers, passed by our patrol vessel, with blue lights activated, at a high rate of speed southbound inside the Slow Speed zone. The vessel weaved through other vessels operating at slow speeds. The operator of the vessel we had currently stopped asked if we were going to stop that boat as well. Using my agency binoculars, I observed that the operator of the vessel was a white male, wearing a light colored hat and a white t-shirt. At the conclusion of the initial stop, I observed the previously described center console departing the West Palm Beach town docks. The same individual was operating the vessel. A vessel stop was

conducted to address the speed zone violation. Prior to tying up alongside the vessel, I observed "Michelob Ultra" brand beers at the helm and the operator drinking from one of the cans. While Ofc. Stoker was speaking with the operator, later identified by valid Florida DL as CAMRON M SIMIONE, I observed that his eyes were glassy and bloodshot, and that his speech was slurred. While attempting to hand Ofc. Stoker the vessel's documents, SIMIONE fumbled with the documents and dropped the top of the document container in the water. Ofc. Stoker began a BUI (Boating Under the Influence) investigation at approximately 1720 hours.

During the Seated Field Sobriety Tasks, I observed numerous signs of impairment. During Finger to Nose, SIMIONE began the task before being told to do so. SIMIONE moved his head forward during the task and did not bring his finger down as instructed during the task. During Palm Pat, I observed that SIMIONE stopped counting during the task, stopped the task before being told to do so, and began to open and close his hands like a book, despite stating he understood the instructions. During Hand Coordination, SIMIONE began the task before instructed, despite stating that he understood the instructions provided by Ofc. Stoker. During the task, SIMIONE did not perform task 2 or 3, despite stating that he understood the instructions.

At the conclusion of the tasks performed for Ofc. Stoker, I conducted a second Horizontal Gaze Nystagmus evaluation. SIMIONE displayed a lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation in both eyes, and an onset of nystagmus prior to 45 degrees in both eyes. I informed Ofc. Stoker of my observations.

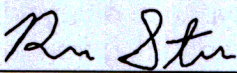

Ofc. Stoker placed SIMIONE under arrest at approximately 1740 hours for suspicion of BUI. While speaking with SIMIONE, I detected the strong odor of an unknown alcoholic beverage emitting from his breath. SIMIONE was able to contact his father (J. JOHN SIMIONE) via telephone, who is the registered owner of the vessel. J. SIMIONE indicated he would be at the West Palm Beach town docks in approximately 10 minutes, and that the vessel could be secured there until his arrival. The vessel was secured to the dock by the remaining occupants of the vessel at the aforementioned docks. SIMIONE was transported by vessel to Rybovich Marina, West Palm Beach, then by patrol vehicle to the Palm Beach County Jail, Main Detention Center, arriving at approximately 1845 hours.

At the Palm Beach County Jail, SIMIONE was read Implied Consent. SIMIONE agreed to provide a lawful sample of his breath. SIMIONE provided breath samples of 0.137 and 0.136 g/210 L of breath at 1916 and 1919 hours, respectively. After being read his Miranda Rights, SIMIONE refused to answer any questions.

VI. Details of DUI

A. Initial Observation of Vessel:  
On October 10, 2020 I, Officer Ronald Stoker and Officer James Brodbeck of the Florida Fish and Wildlife Conservation Commission were on marked water patrol in Palm Beach County, Florida. I was in the process of conducting a vessel stop in the West side of the ICW just North of the Flagler Memorial Bridge when I observed a light blue center console with approximately five to six occupants and a Trump flag flying from its T-Top rod holder enter the marked Slow Speed Minimum Wake zone on a plane. The vessel weaved in and out of other vessels that were obeying the Slow Speed Minimum Wake Zone. The occupants of the vessel I was conducting an inspection on at the time made a comment about the other boat's speed. Officer Brodbeck initiated our vessel's siren to get the operator's attention, but the operator continued southbound in the marked Slow Speed Minimum Wake zone on plane. I observed the vessel come off plane just under the Flagler Memorial Bridge.

B. Personal Contact with Operator  
I initiated a vessel stop on the light blue center console bearing Florida registration number FL0335SK on the ICW just south of the Flagler Memorial Bridge. I made contact with the operator of the vessel, later identified by his FLDL S550113953660 as Mr. Camron Simone. Upon making contact with Mr. Simone, I detected a strong odor of an unknown alcoholic beverage emitting from his breath. When I pulled alongside Mr. Simone's vessel, I observed him drinking a Michelob Ultra. I asked Mr. Simone how much he had to drink and he said that he had not been drinking, but they did have alcohol on the boat. Mr. Simone also displayed a slurred speech while conversing with myself. When asked to produce his identification, Mr. Simone failed to do so and could not locate his wallet. He continuously

searched the same bag that did not contain his wallet. While handing me the vessel registration, he fumbled with the container and dropped the container into the water. Based on the clues I observed while talking with Mr. Simione, I asked if he would come onto my vessel to complete Seated Field Sobriety Tasks. Mr. Simione consented to completing the exercises and boarded my vessel at which point he donned a PFD.
