The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 6/25/2021, at approximately 1637 hours, at 4650 McIntosh Rd., Dover, FL 33527, Deputy Johnson (ABN 229739) conducted a traffic crash investigation (see HCSO case 21-421462 / DHSMV 39447267) involving a silver Cadillac CTS (bearing FL tag 371RRA / VIN: 1G6DE5E57D0106653). The defendant caused approximately $1,000 worth of property damage as a result of the crash. The witness observed the crash occur and observed the defendant behind the wheel of the above listed vehicle. During his investigation, Deputy Johnson observed the defendant to have glassy, watery, bloodshot eyes, slurred speech, inability to maintain her balance and detected the odor of an alcoholic beverage. He also observed an open container of Four Loko on the front passenger seat. Based on the observed indicators of impairment, Deputy Johnson requested a DUI investigator respond to the scene. Upon my arrival, I observed the same indicators of impairment listed above. I informed the defendant that the traffic crash investigation was now complete, and I would be initiating a separate criminal DUI investigation. I advised the defendant of the Miranda warning via the issued State Attorney's Office Miranda warning card dated on April, 2017 which she understood and declined to provide a statement. The defendant was given the opportunity to perform field sobriety exercises, which she did poorly, indicating impairment. Subsequent to arrest, the defendant provided breath samples of .206/.211 after a twenty minute observation period. The defendant was identified via their Florida driver's license.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
