The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did: On February 9, 2020 at approximately 0029 hours, the affiant was operating her unmarked patrol vehicle headed northbound on U.S. Highway 301 South near the intersection with Riverview Drive in Riverview, Florida within Hillsborough County, when she observed a blue Ford F250 pick-up truck bearing Florida tag:EEVW49(V.I.N.:1FT7W2BT6FEC60897) drift out of its lane into the adjacent right lane two times. The Ford F250 pick-up turned left onto Riverview Drive and the affiant observed the truck drift off the road with both of its passenger side tires into the dirt at least three times. In addition, the Ford accelerated to 49 miles per hour in a 35 miles per hour speed zone (measured via Certified and Calibrated RADAR). The affiant conducted a traffic stop of the Ford F250 and on contact with the driver/defendant and ensuring he was not having a medical emergency, she observed him display indicators of impairment to include bloodshot glassy eyes, the distinct odor of an alcoholic beverage emanating from his breath, and slow and lethargic movements while searching for requested vehicle paperwork to include searching the same places multiple times, and turning up the radio volume instead of down. The affiant requested the defendant exit the Ford F250 and as the affiant spoke with the defendant, he displayed a sway while standing. The affiant requested the defendant perform field sobriety exercises which he agreed to do. Throughout the performance of the exercises, the defendant displayed indicators of impairment and was subsequently arrested for Driving Under the Influence. The defendant was transported to Central Breath Testing where after a proper twenty-minute observation period he provided two lawful breath samples of .125/.128% B.A.C. respectively. The defendant identified himself via Florida Driver License.
