The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was driving a gray Ford pickup with FL tag Y37XSD on the roadway. A citizen called the police and reported a gray Ford pickup swerving on the roadway on Gandy Blvd near Manhattan Ave. Just after that call the victim called and said a gray Ford pick up with FL tag Y37XSD put his truck in reverse and backed into her on the roadway. The defendant drove off without exchanging information. Officer's Janicijevic and Miller made contact with the defendant by his truck a few miles away at Macdill Ave and Shelton Ave. The victim was on scene and positively identified the defendant as the driver and only occupant of the vehicle. Upon contact with the defendant the Officer's observed signs of impairment and requested a DUI officer to respond.

I made contact with the defendant and could smell a strong odor of alcoholic beverages from his breath. His eyes were glassy and bloodshot. His speech was low and mumbled. He said he had 3 beers and was confused about where he was. He performed field sobriety exercises and showed impairment. Post arrest I advised him of implied consent and he understood and refused to provide a breath sample.

Defendant ID'd by FL DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
