The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did

The DEF was operating a vehicle and involved in a traffic crash. The DEF was unable to maintain her lane resulting in the crash. The DEF left the scene of the crash without rendering aid or exchanging info. The DEF was positively identified by the VIC and WIT. The DEF was contacted by OFC Osborne in the 200 block of Glen Arven where the VEH was located. The DEF told OFC Osborne that the passenger was the driver during the accident. The VIC was brought to a show up by Sgt Lebovitz, where the VIC positively identified the DEF as the driver of the vehicle at the time of the crash. I then responded to the DEF location where she stated she was the passenger and not the driver. I mirandized the DEF whom again stated she was not the driver but the passenger of the vehicle, which was a false statement. The DEF was positively identified via FL DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
