	As I was speaking with M. Zimmer, his sister W/F Danielle Zimmer (10/8/1973), who was present in the household during the altercation, became irate with J. Zimmer for calling the police. D. Zimmer was berating J. Zimmer as I was conducting my investigation in front of the house, and she was warned to calm down and leave the immediate area so that I may obtain statements. D. Zimmer failed to comply several times. She continued to harass and antagonize J. Zimmer. D. Zimmer later went back into the house, and intentionally locked J. Zimmer outside, in the rain, while J. Zimmer's children were inside. A welfare check had not yet been conducted on the children. J. Zimmer did not											
PROBABLE	inside. A welfare check had not yet been conducted on the children. J. Zimmer did not have a key to the residence on her person. After knocking on the door forcefully several times, D. Zimmer unlocked the door. She was continually irate, impeding my efforts to conduct my domestic violence investigation by checking on the children in the household. D. Zimmer was instructed to sit down on the couch and calm down. D. Zimmer failed to comply, and immediately jumped up off the couch. She was then placed into handcuffs which were checked for proper spacing and double locked. D. Zimmer pulled away and was non-compliant with verbal instructions when I told her to stop resisting handcuffing efforts. I later checked on children who were upstairs in the bedroom, unharmed.											
C A U S E	Based upon J. Zimmer's visible injury, and both parties' statements, I determined there was probable cause to arrest and charge Michael Zimmer with domestic battery. Danielle Zimmer was arrested for interfering with my domestic violence investigation by resisting my lawful orders without violence.
