The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody ... committed the below acts in my presence. was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.

confessed to _____ admitting to the below facts. was found to have committed the below acts, resulting from my (described) investigation.

On the **20** day of **January**, **2020** at **00:50** (Specifically include facts constituting cause for arrest.)

On 1/20/2020 at approximately 0050 hrs, I was on routine patrol south bound on N Alternate A1A north of E Indiantown Road. I observed as a white BMW, now identified as bearing FL tag KNM-Y13 (VEHICLE-1) passed in front of me traveling west bound on E. Indiantown road at a high rate of speed. As a certified radar/laser operator I visually estimated the speed to be 80 MPH (45 MPH zone) as the vehicle crossed the elevated train tracks. As I turned west bound on W Indiantown Road to catch the vehicle I observed that it was outpacing me. I observed as the vehicle approached the steady red left turn light at Military Trail, as the vehicle made an exaggerated maneuver where it cut off a vehicle nearby, traveled all the way from right to left, and then completely disregarded the south facing steady red light arrows and went south bound on Military Trail. Due to the vehicle and foot traffic in the area in the direct vicinity, these maneuvers in their quick succession displayed a willful and wanton disregard (reckless) toward public safety. I turned south bound on Military trail and activated my lights and sirens in order to effect an immediate traffic stop in order to halt the reckless vehicle from continuing operation. The vehicle pulled over on Toney Penna Drive just west of Military Trail. Upon pulling the vehicle over, without prompt, the driver, now identified as David Macintosh (DEFENDANT) put his car keys on the roof of his car and his hand out the window. Due to the reckless operation and behaviors displayed by Macintosh I called him out of the vehicle and detained him in handcuffs for the reckless driving offense.

I read Macintosh his Miranda rights at this time. As I was standing next to him I observed that he had red, glassy bloodshot eyes. He had a strong odor of unknown alcoholic beverage emitting from his person. I asked him how much he had to drink and he stated three or four drinks. I asked him on a scale from 1-10 of impairment where he would rate himself. He stated that he was a 3 or 4. As he spoke to me the odor of unknown alcoholic beverage intensified. I advised Macintosh that I was concerned about the indicators of possible alcohol impairment and asked if he would consent to field

sobriety exercises. He was resistant in agreeing to do them. Due to his evident reluctance, I read Macintosh his Taylor warning. After reading Taylor, I went over to look at the front passenger compartment of his vehicle while he thought about whether or not he wanted to do SFST's. While standing outside the vehicle, I observed in plain view, a green cannabis grinder, which through my training and experience I know to be drug paraphernalia for the preparation of the consumption of narcotic cannabis. I asked Macintosh about the grinder and he affirmed that's what it was. He also stated that there was cannabis inside of it without being shown the container. Inside the container was a small amount of green leafy substance. It was not field tested due to the recent changes in THC percentage causing issues with field test kits. However, he affirmed that it was cannabis. I seized the grinder and suspected cannabis as evidence.

Macintosh refused to participate in field sobriety exercises after being read his Taylor warning. At this time, based on my investigation and the totality of the circumstances, I had probable cause to believe that David Macintosh had been in actual physical control of a motor vehicle while under the influence of an alcoholic beverage and/or a chemical or controlled substance, to the point where his normal faculties were impaired. I placed him under arrest at 0050 hrs. I additionally arrested him for reckless driving, possession of cannabis under 20 grams and possession of drug paraphernalia. During an inventory search of his vehicle, I found an unopened beer can (cold to the touch) that had been part of a pack connected by a plastic topper. The other cans were missing.

I transported Macintosh to the BAT, where I placed him under a 20 minute observation period, during which I did not observe him consume nor regurgitate anything. We then went on video with BAT Technician Leahey (ID #19183). I requested a breath sample and Macintosh asked what the consequence of refusal would be. I read him implied consent on video and he agreed to provide breath. His breath samples were .151 BrAC and .150 BrAC. I then read him Miranda again and he refused to answer questions without an attorney present. I then completed paperwork and booked him into the Palm Beach County jail. The vehicle was towed from the scene by All Hooked Up. The cannabis and grinder were seized and submitted as evidence. I issued Macintosh a court date of 2/26/2020 at 0830 hrs at the North County Courthouse in Palm Beach Gardens. BWC.
