NARRATIVE:

On June 1, 2021 I was traveling northbound on Alternate A1A from Richard Road in Palm Beach Gardens, Florida 33410 behind a red Honda Civic bearing Florida tag LVHR66. The Honda entered the left turn lane to turn westbound onto Lighthouse drive. The traffic light was green for northbound traffic however the turn lane light was not illuminated for turning traffic as southbound traffic also had a green light. The Honda paused prior to the intersection as a Palm Beach County School bus approached the intersection from the southbound lanes. The Honda suddenly turned in front of the School Bus causing the School Bus to slam on it brakes and lock up its tires. The School Bus was able to narrowly avoid crashing into Honda as it continued turning through the intersection without making any attempt at avoiding the crash. There had been no change in the intersection lights. I activated my unmarked PBSO vehicle's emergency lights and siren. The Honda continued westbound on Lighthouse Drive and turned northbound onto Holly Drive. The Honda swerved aggressively back and forth down Holly Drive while also braking and accelerating haphazardly. The vehicle struck the right curb multiple times and fully entered oncoming traffic lanes as I attempted to stop the vehicle with my emergency lights and siren still activated. The Honda continued to fail to yield as it turned westbound onto Garden Boulevard. The vehicle turned into the driveway of 363 Garden Boulevard and parked. I activated my phone's video camera and made contact with the driver and sole occupant, Dianne Doran. The following is not purported to be verbatim: Dianne told me she had gotten off of work a couple hours prior and she had consumed some alcohol. Dianne stated she does not typically drink a lot of alcohol. Dianne said she does not use any prescription drugs or any illegal narcotics. Dianne was very upset I had pulled her over and seemed to have completely forgotten about the near miss with the School Bus and her erratic driving. Dianne exited her vehicle

despite my instructions for her to remain in the car. Dianne was very uneasy on her feet had trouble balancing. Dianne spoke with an apparent slur and had a strong odor of alcohol emanating from her as she spoke to me. Dianne attempted to go inside of the residence multiple times despite my instructions to remain outside. Dianne had to be physically stopped from going into the residence so I gently gripped her wrist and gently guided her back to a bench in the driveway. Dianne accused me of harassing her and believed I stopped her for no reason. Dianne's vehicle appeared to have been in one or more recent crashes. The passenger side mirror was hanging by wires, the right side was dented and scratched, and the right rear bumper was dislodged and had green vegetation protruding from the seam. Additional deputies arrived on scene including Deputy Smith. Deputy Smith was introduced to Dianne and advised the reason for the traffic stop. Deputy Smith brought Dianne back to the front of his vehicle as I ended my video recording and entered my vehicle. My entire contact with Dianne was video recorded and I had no part in any field sobriety exercises nor did I witness her interactions with other deputies.

PERSONAL CONTACT

DRIVING PATTERN: ACTUAL PHYSICAL CONTROL (PHYSICAL EVIDENCE OR STATEMENTS PUTTING DEF. BEHIND WHEEL OF VEHICLE)

On 6/1/2021 at approximately 1456hrs, I was called to the scene of a traffic stop at 363 Garden Boulevard, which is located in the City of Palm Beach Gardens Florida. I arrived at the scene at approximately 1515hrs. Det. Mays #18330 relayed to me, and completed a written signed sworn supplemental Probable Cause Affidavit, stating the following "On June 1, 2021 I was traveling northbound on Alternate ALA from Richard Road in Palm Beach Gardens, Florida 33410 behind a red Honda Civic bearing Florida tag LVH866. The Honda entered the left turn lane to turn westbound onto Lighthouse Drive. The Honda continued to fail to yield as it turned westbound onto Garden Boulevard. The vehicle turned into the driveway of 363 Garden Boulevard and parked. I activated my phone's video camera and made contact with the driver and sole occupant, Dianne Doran. The following is not purported to be verbatim: Dianne told me she had gotten off of work a couple hours prior and she had consumed some alcohol. Dianne stated she does not typically drink a lot of alcohol. Dianne said she does not use any prescription drugs or any illegal narcotics. Dianne was very upset I had pulled her over and seemed to have completely forgotten about the near miss with the School Bus and her erratic driving. Dianne exited her vehicle despite my instructions for her to remain in the car. Dianne was very stony on her feet had trouble balancing. Dianne spoke with an apparent slur and had a strong odor of alcohol emanating from her as she spoke to me. Dianne attempted to go inside of the residence multiple times despite my instructions to remain outside. Dianne had to be physically stopped from going into the residence so I gently gripped her wrist and gently guided her back to a bench in the driveway. Dianne accused me of harassing her and believed I stopped her for no reason. Dianne's vehicle appeared to have been in one or more recent crashes. The passenger side mirror was hanging by wires, the right side was dented and scratched, and the right rear bumper was dislodged and had green vegetation protruding from the seam. Det. Mays #18330 noticed that the defendant had articulable indicators of impairment, so he called for a traffic unit to conduct a possible DUI investigation. Det. Mays identified the defendant, to me, as the driver/sole occupant of the vehicle, at the time of the stop.

OBSERVATION OF DRIVER:

Upon making contact with the driver who was identified by their Florida Driver License as Dianne Doran, I immediately detected an obvious and strong odor of an unknown alcoholic beverage emitting from her person and face area. This odor intensified as I spoke to Doran. Doran had glassy, glazed, and blood shot eyes. Doran's speech was slurred, slow, thick, and at times difficult to understand. Doran's movements were slow and deliberate. Doran was lethargic in her movements with poor coordination. Doran had an unsteady gait while walking to my patrol vehicle and had difficulty following directions given to her. Doran was wearing a blue scrubs and gray and pink shoes. All the clothing appeared neat.

DRIVER'S STATEMENTS:

Pre-Miranda Rights, Doran stated she had drank an alcoholic beverage. Doran also stated she was drunk. Post Miranda Rights, Doran stated she did not drink any alcoholic beverages. Doran said she was not under the influence of any beverage or medication.

ODORS:

An obvious and strong odor of an unknown alcoholic beverage.

GENERAL OBSERVATIONS
