The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. The Person taken into custody ... ☒ committed the below acts in my presence. ☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts. ☐ confessed to _____ admitting to the below facts. ☒ was found to have committed the below acts, resulting from my (described) investigation. On the <u>9</u> day of <u>May</u>, <u>2022</u> at <u>23:25</u> (Specifically include facts constituting cause for arrest.) On 05/09/2022 at approximately 2325 hours, this Officer was in the area of Burns Rd and Alt A1A, PBG, FL, when a vehicle was observed driving recklessly. Body worn camera and in car video were used. This Officer was stationary at a steady red light in the left-hand turn lane of Burns Rd to go north bound on Alt A1A, when this Officer observed a red Mercedes sedan (12AJPZ/FL) attempt a left-hand turn from south bound Alt A1A to east bound Burns Rd. The vehicle cut the turn short and ended up traveling east bound in the west bound lanes of Burns Rd. The vehicle caused two other oncoming vehicles to change their course to avoid a head-on collision. This Officer also observed the vehicle rapidly accelerate while driving the wrong way. This Officer perceived the drivers actions as being with a willful or wanton disregard for the safety of persons or property. Further this Officer was concerned for the safety of other motorists and felt compelled to take immediate action, to preserve life. The vehicle then abruptly entered the east bound lanes at the median break for Rio Vista Blvd. This Officer was able to catch-up to the vehicle at Gardens East Dr and initiated a traffic stop on same in the parking lot of 3360 Burns Rd, PBG, FL. This Officer made contact with the driver, identified via Florida Driver License photo, Fiona Doran (OF) while she was still in actual physical control of the vehicle. Doran had low heavy eye lids, thick slurred speech, flushed red face, red watery eyes, hiccups, and the strong obvious odor of an unknown alcoholic beverage emanating from her breath at conversational distance. This odor increased as Doran spoke with this Officer. Doran also had difficulty locating her documents especially her license, which was in a wallet which was attached at her waistband. Dorans passenger said they were coming from a friends house in West Palm. The passenger said they were on their way to her house in North Palm. When asked if she knew why they were pulled over, they replied "speeding". When this Officer asked Doran how much she had to drink, she replied that she was looking for her registration. Doran then replied "not a lot".

Based on this Officers observations, Doran was asked to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which she complied. Doran leaned against the vehicle when she exited the vehicle. Doran said she did not have any medical conditions which would affect the exercises performed.

The first exercise conducted, was the Horizontal Gaze Nystagmus. The stimulus used, was a Toxoptix X3. Doran had to be instructed twice to look at the stimulus rather than the flashlight. Doran did not follow instructions, rather, she would close her eyes, look elsewhere, and not follow the stimulus. This Officer determined Doran was too impaired to properly follow instructions.

The second exercise conducted, was the Walk and Turn. The line used, was a strip of yellow tape placed upon the pavement by this Officer. During the instructions, Doran exited the starting position four times and started prior to being told to do so. During the first set of steps, Doran raised her arms more than six inches from her sides and took 12 steps rather than nine. Doran conducted an improper turnaround by way of coming off the line and walking around. During the return set of steps, Doran again raised her arms more than six inches from her sides and took 10 steps rather than nine.

The final exercise conducted, was the One-Leg Stand. Doran raised her right foot. During the exercise, Doran placed her foot down the first time and left it on the ground while continuing to count. Doran was then instructed to raise her foot. Doran swayed throughout the exercise and raised her arms more than six inches from her sides. Doran hopped two times and placed her foot down two more times, which ended the exercise early.

Based on this Officers observations, Doran was placed under arrest at 2339 hours. An inspection of the vehicle showed the driver side front tire and driver side rear wheel well had dirt and grass as if the vehicle had recently been driven off the roadway. While on the way to the PBSO BAT, Doran vomited in the back seat of unit #16474. Upon arrival at the PBSO BAT, this Officer and Ofc Kahn 545 conducted a 20 minute observation period of Doran, to which she vomited three times into a garbage can. Each time Doran vomited the 20 minute observation period started over. The third instance was after Doran and Officers were already at the PBSO BAT for approximately 45 minutes, which was also approximately 90 minutes after the arrest. This Officer elected to bring Doran into the recorded room, to inform her of Florida Implied Consent, since she had previously also informed this Officer she would not provide a breath sample. On camera, this Officer read updated Florida Implied Consent to Doran, to which she acknowledged and refused at 0102 hours.

Based on the results of the investigation, this Officer has probable cause to prove Fiona Doran operated a motor vehicle, in the state of Florida, while under the influence
