316.193(4)	Misd	F	DRIVING UNDER THE INFLUENCE (OVER 0.15) (TRAF1009)	1	3507XGA	☐

The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On the above listed date and time, the affiant observed a black Lexus, bearing FL tag LVJS82 (VIN: JTHBA1D20H5057271), traveling westbound on Hillsborough Av W. The affiant visually estimated the vehicle traveling at approximately 80MPH. The affiant utilized his ULTRA LYTE LR B Laser (SN: UX014496), which has current calibration and was tested prior to beginning enforcement, and got a tone consistent with the visual observation and a readout of 81MPH in a posted 50MPH zone. Affiant then observed the aforementioned vehicle, run the red light at the intersection of Longboat Bl W and Hillsborough Av W. Affiant conducted a traffic stop, and upon contact with the driver (defendant), sole occupant of the vehicle, detected signs of impairment and requested the defendant preform Standard Field Sobriety Exercises (SFSEs), which the defendant agreed. During the SFSEs, the defendant showed multiple signs of impairment and was subsequently arrested for driving under the influence (DUI). After a proper 20-minute observation was completed, the defendant agreed to provide a lawful breath sample to determine her breath alcohol content (BrAC). Breath Technician F. Mason #51920 provided me with the defendant's BrAC results and they are as follows: First BrAC (.218); Second BrAC sample (.199). The defendant was given a DUI citation, 3507XGA, which reflects the charge. The defendant's identity was verified via her FL DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
