The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On above listed date and time I was dispatched to a crash involving the subject. Upon my arrival at the scene I was informed by the witness that the subject had been driving the vehicle at the time of the crash. I identified the subject via a Florida ID Card and noted that she was 18 years old. I ran the subjects information in FCIC/NCIC and found that she had a suspended license. Upon speaking with the subject I noticed that she was slurring her speech, had bloodshot watery eyes, and the strong odor of a consumed Alcoholic beverage emitting from her person. Upon inventorying the vehicle for tow I found an open beer in the front console. The subject was transported to the hospital from the scene for treatment of minor injuries. Upon completing my investigation at the scene I went to the hospital and made contact with the subject. Upon my arrival at the hospital I asked the driver what had happened at the scene and she stated "before I left I had four beers and two shots" the subject then stated that did not make her drunk. The subject was discharged from the hospital at that time. The subject was then informed that I was done with my crash investigation and would be beginning my investigation for DUI. The subject was read her Miranda Rights and stated that she understood. The subject was asked to participate in some standardized field sobriety exercises. The subject agreed to participate. The subject performed poorly on all field sobriety exercises and was arrested for the charges listed in this document.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
