The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did: Ofc M Montague investigated a traffic crash involving the def as the at-fault driver. There was about \$2000 in damage to the vehicle the def was driving and a trailer she struck. Ofc M Montague and I observed the def sitting in the driver's seat of her vehicle after the crash. The vehicle ignition was push-start and the key fob was on the vehicle floor on the left side of the driver's seat. I identified the def with her FL DL. I smelled the distinct odor of an alcoholic beverage on the def breath. The def eyes appeared bloodshot and glassy. The def speech sounded slurred and rambling. The def swayed and staggered as she stood. The def refused to do FSEs. The def was arrested for DUI. I informed the def of Implied Consent. The def said "yes" when asked if she understood Implied Consent and "no" when asked if she would take a breath test.							
Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
