316.193(1)(A)	Misd	S	DRIVING UNDER THE INFLUENCE BrAC Refusal (TRAF1012)	1	AD0BT0E	<input type="radio"/>

The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did On 3/1/2020, at approximately 0316 hours, Affiant observed a blue Honda bearing FL tag NMNM15 (VIN:SHHF7H43JU415545) traveling eastbound on Adamo Dr from Orient Rd. The blue Honda was observed weaving within its lane, crossing over the solid fog line to its right, and the dotted lane line to its left. In fear the driver of the blue Honda was ill, tired, or impaired Affiant conducted a traffic stop on the vehicle at Adamo Dr E / Kelsey Ln in Tampa, FL and observed the defendant operating the vehicle. Affiant detected the distinct odor of an alcoholic beverage emanating from his breath, his speech was slurred, and his eyes were bloodshot and glassy. Affiant requested the defendant perform Standard Field Sobriety Exercises which the defendant agreed to do. During the SFSEs, the defendant showed multiple signs of impairment, was unable to follow basic instruction, and was subsequently arrested for driving under the influence (DUI). Affiant read Implied Consent to the defendant in room 1 of Central Breath Testing, he understood and replied "I have to pee, I'm not doing that, therefore refusing to provide a lawful sample of his breath to determine his breath alcohol content (BrAC). The defendant was identified via FL DL. The defendant was given a DUI citation AD0BT0E which reflects the DUI charge. The defendant also received Uniform Traffic Citations 6919WDQ for Possession Of Open Container By Driver (unknown IPA beer can with liquid still inside on driver door panel), and 6918WDS for Careless Driving.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
