On Friday December 4th at approximately 2:20 AM I was on routine patrol in Palm Beach County Florida, I was traveling westbound in the center lane of SR-80 (Southern BLVD). Recruit Trooper Harty who is in training was operating a marked unit FHP 1700. We observed a black vehicle traveling westbound straddling the right and center lane.

Recruit Trooper Harty activated his emergency overhead lights and conducted a traffic stop on a black Mercedes Benz bearing Vermont tag EPT829. We approached the passenger side and observed the defendant who was later ID by her NY DL 889913689 as Jennifer Ann Walters DOB: 12-14-1988 sitting behind the wheel in actual physical control of the vehicle. I advised the defendant the reason for the stop (straddling the travel lanes) and she understood.

We asked the defendant for her DL and where she was headed. The defendant stated that she was just following her GPS and she was coming from Vermont. While talking to the defendant I could smell the odor of an alcoholic beverage emitting from within the vehicle, her speech was slurred and slow, her eyes blood shot red. I asked the defendant to step out of the vehicle in order to rule out if the smell was just inside the vehicle. Once the defendant was outside of the vehicle, I could still smell the odor of an alcoholic beverage, now emitting from her breath. Based on my observations I asked the defendant if she will perform a series of field sobriety exercises. She agreed to perform the exercises. The defendant did not perform the exercises satisfactorily and was placed under arrest for DUI at 2:46 AM. All the exercises were captured in my in-car

dash camera. An incident report will be submitted to supplement this report detailing the exercises.

The defendant was then transported to the Palm Beach County jail where I conducted my 20-minute observation period starting at 3:20 AM. The defendant then submitted two breath samples, results are as follows: 1st sample provided at 3:51 AM .139 g/210L, 2nd sample provided at 3:54 AM .139 g/210L.

Based on these results, my observations at the scene and the evidence, the defendant did operate a motor vehicle within the State of Florida while her normal faculties were impaired due to an alcoholic beverage. All these events took place in Palm Beach County Florida.
