The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:
 On 08/30/2020 at approximately 1950 hours, at 5209 Mango Fruit Street, the defendant, victim, and witness, engaged in a verbal argument that turned physical when the defendant knowingly and intentionally used his hands to shove the victim backward. The shove was against the victim's will and caused no visible injury. The defendant and the witness are going through a divorce and were verbally arguing about such. The victim intervened because he thought the defendant would strike the witness during the argument. The defendant and victim are father and son and reside together, along with the witness, as a family unit. The victim positively identified the defendant as the person who committed the offense. The defendant was positively identified via DAVID.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
