<p>The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.          The Person taken into custody ...  <input type="checkbox"/> committed the below acts in my presence.    <input type="checkbox"/> was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.  <input type="checkbox"/> confessed to _____ admitting to the below facts.    <input checked="" type="checkbox"/> was found to have committed the below acts, resulting from my (described) investigation.          On the <u>15</u> day of <u>January</u>, <u>2021</u> at <u>00:33</u> (Specifically include facts constituting cause for arrest.)</p> <p>On 1/15/2021, at approximately 0001 hours, I was conducting stationary traffic enforcement in the area of 800 S Federal Hwy. While conducting my enforcement, I observed a white 2017 Mercedes Benz S63 traveling southbound at a high rate of speed in the inside lane. I estimated the speed of vehicle to be 60 MPH in a 35 MPH zone. My DragonEye laser device provided a reading of 60MPH. I pulled into the roadway and caught up to the vehicle at the intersection with W Camino Real. A traffic stop was initiated, and the vehicle stopped at 101 E Camino Real.</p> <p>I approached the vehicle from the driver's side and I immediately observed that the driver's eyes were red and glassy. I informed the driver of the reason for the stop and asked him to provide his driver's license, registration, and proof of insurance. The driver was slow to respond and had sluggish movements while searching for the items. He identified himself as Michael Baskin by FL DL.</p> <p>While speaking with the driver I observed that his speech was slurred, and he had a strong odor of alcohol emanating from his breath. I also observed a red tint on the driver's lips consistent with that of someone who had been consuming wine. I asked the driver where he was coming from and he told me he was celebrating a friend's birthday at their house in Delray Beach.</p> <p>Based on by observations, I believed that Baskin may have been driving a vehicle while under the influence of drugs or alcohol. I asked Baskin to step out of the vehicle for further investigation.</p> <p>I asked Baskin to remind me of why he was in Delray Beach earlier and he changed his statement and said he was there with friends to shoot a scene for a commercial. I questioned him about the red tint on his lips and he confessed to consuming two glasses of wine. I then requested that Baskin submit to Standardized Field Sobriety Exercises.</p>

Special Notes:		
<p>Baskin agreed to participate.</p> <p>I asked Baskin a series of questions prior to beginning the exercises. I asked Baskin if he was sick or injured and he stated he was not. He also claimed to not have any physical defects or injuries. Baskin also stated he did not limp, was not epileptic or diabetic, and did not have any problems with his eyes that are not corrected by glasses or contacts. Lastly, Baskin said he felt comfortable walking in the shoes he was wearing. I then proceeded with the exercises.</p> <p>The first exercise was Horizontal Gaze Nystagmus. I administered the instructions and Baskin stated that he understood. I observed that Baskin swayed slightly during the exercise. I also observed that Baskin's head would drift with the stimulus as I moved it from side to side. I reminded Baskin to look straight ahead but he continued to move his head throughout the remainder of the exercise.</p> <p>The second exercise was the Walk and Turn. I administered the instructions and demonstrated how the exercise should be completed. Baskin stated that he understood. While taking his steps, I observed that Baskin missed heel-to-toe 4 times, took an incorrect number of steps, completed an improper turn, fell off the line, and used his arms for balance.</p> <p>The third exercise was the One-Leg Stand. I administered the instructions and demonstrated how it should be completed. Baskin stated he understood. Baskin swayed, used his arms for balance, and failed to count aloud during the exercise.</p> <p>The fourth exercise was the Finger to Nose. I confirmed that Baskin knew his left from his right by asking him to show me his left hand and then his right hand. I then administered the instructions. Baskin stated he understood. The pattern was L-R-L-R-R-L. Baskin did not raise his finger to his nose once. Instead, Baskin moved his head left and right.</p> <p>The fifth exercise was the modified romberg balance test. I informed Baskin that he would need to estimate the passage of 30 seconds with his eyes closed and his head tilted back. I demonstrated the passage of 30 seconds using a stop watch. The instructions were administered, and the exercise was conducted. Baskin estimated the passage of 30 seconds in 44 seconds. Baskin also kept his eyes open and brought his head forward during the exercise.</p> <p>Based on the totality of the circumstances, I found probable cause to believe that Baskin was operating a motor vehicle while under the influence of drugs or alcohol. Baskin was placed under arrest for DUI per F.S.S 316.193(1). He was transported to the Palm Beach County Sheriff's Office DUI Testing Facility where Breath Operator Bell (#8656) conducted the BAT room procedures.</p>

<p>Following the 20-minute observation period, but prior to collecting a breath sample, it was discovered that Baskin had been hiding a piece of gum in his mouth. The BAT room procedures were paused at this time. Baskin was asked to spit out the gum and a new 20-minute observation period was conducted.</p> <p>Following the second 20-minute observation period, Baskin agreed to provide a breath sample, however, he failed to follow Operator Bell's instructions and did not meet the volume requirement for a valid sample. It should be noted that the volume not met sample read .167. I informed Baskin of implied consent and he ultimately refused to provide a valid breath sample. He was advised of his constitutional warnings, advised he understood, and chose to answer all of my questions. His answers were documented on the DUI influence report.</p>
