The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.
 The Person taken into custody ...
 committed the below acts in my presence. was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.
 confessed to _____ admitting to the below facts. was found to have committed the below acts, resulting from my (described) investigation.
 On the 9 day of December, 2020 at 22:08 (Specifically include facts constituting cause for arrest.)

On 12/9/2020, at approximately 2134 hours, BRPD units were dispatched to the area of 5050 Town Center Cir in reference to a report of a possible drunk driver. The vehicle was described as a black Mercedes Benz that was last seen traveling northbound on N Military Trl. According to the caller, the vehicle had almost caused an accident and was driven by a W/M who was approximately 60 YOA.

I located the vehicle, a black 2017 Mercedes Benz S550 (FL - SE11), going northbound in the area of N Military Trl and Potomic Rd, and began to observe it's driving pattern. I first observed that the vehicle was swerving within the center lane. The vehicle then switched into the outside lane and violated a traffic control device by crossing the solid white line which divides the motor vehicle lanes from the bicycle lane. The vehicle corrected itself and came to a stop at a red light at the intersection of N Military Trl and NW Spanish River Blvd. The vehicle was set to continue northbound on N Military Trl. I then observed the vehicle cross the solid white bicycle lane lines to enter the right turn lane and make a right tun to go eastbound on NW Spanish River Blvd. After completing the turn, the vehicle again violated a traffic control device by crossing the solid white line with divides the motor vehicle lanes from the bicycle lane. The vehicle corrected itself but continued swerving within its lane as it drove eastbound on NW Spanish River Blvd. A traffic stop was initiated on the vehicle in the area of 1700 NW Spanish River Blvd.

I approached the vehicle from the driver side and made contact with the W/M driver who identified himself as Paul Blodgett by FL DL. I immediately observed that the Blodgett's eyes were red and glossy, and his speech was slurred. I also observed the odor of an unknown alcoholic beverage emanating from Blodgett's breath when speaking and dry saliva building up on the corners of his mouth.

Based on my observations, I believed that Blodgett may have been under the influence of

alcohol while driving a vehicle within the state. I asked Blodgett to exit the vehicle for further investigation. He agreed to perform Standardized Field Sobriety Exercises.

Prior to beginning the exercises, I asked Blodgett a series of questions. I asked Blodgett when he last consumed an alcoholic beverage and he stated he had two Vodka Tonics approximately one-hour prior at Tap 42 which is located at 5050 Town Center Cir in Boca Raton. I asked if he was sick or injured and he stated he was not. Blodgett also stated he did not have any physical injuries or defects. Blodgett claimed he had not seen a doctor or dentist today and was not taking any prescription medications. He also said he had not been involved in a crash or bumped his head today. I asked Blodgett if he had any problems with his eyes that were not corrected by glasses and he said he did not. Blodgett also stated he was not diabetic or epileptic. I then continued with the exercises.

The first exercise was Horizontal Gaze Nystagmus. I administered the instructions and Blodgett stated that he understood. Blodgett moved his head when following the stimulus despite being instructed not to do so. He was reminded not to move his head but continued to do so through the remainder of the exercise. I also observed that Blodgett was swaying in a circular motion while the exercise was being conducted.

The second exercise was the Walk and Turn. I administered the instructions and demonstrated how the exercise should be completed. I noticed that Blodgett had some difficulty getting into the starting position. He also had difficulty staying in the position. Once the instructions were completed, Blodgett stated that he understood, and he was instructed to begin. Blodgett missed heel-to-toe on every step, stepped off the line, made an improper turn.

The third exercise was the One-Leg Stand. I administered the instructions and demonstrated how it should be completed. Blodgett stated he understood. Blodgett began the exercise before being instructed to do so. He also swayed in a circular motion, used his arms for balance, and put his foot down several times while completing the exercise.

The fourth exercise was the Finger to Nose. I confirmed that Blodgett knew his left from his right by asking him to show me his left hand and then his right hand. I then administered the instructions. The pattern was L-R-L-R-R-L.

- L - Missed the tip of his nose and later held his finger on his nose.
- R - Held his finger on his nose.
- L - Held his finger on his nose.
- R - Held his finger on his nose.

The final exercise was the modified romberg balance test. I asked Blodgett if he felt comfortable estimating the passage of 30 seconds and he stated he did. I demonstrated the passage of 30 seconds using a stop watch. The instructions were administered, and the exercise was conducted. Blodgett swayed so much during the exercise. Blodgett estimated the passage of 30 seconds in 28 seconds.

Based on the totality of the circumstances, I found probable cause to believe that Blodgett was operating a motor vehicle while under the influence alcohol. Blodgett was placed under arrest for DUI per F.S.S 316.193(1a). He was transported to the Palm Beach County Sheriff's Office DUI Testing Facility where Breath Operator Leahey (#19183) completed the BAT room procedures. Blodgett refused to provide a breath sample. He was advised of implied consent and again refused to provide a breath sample. Blodgett was then advised of his constitutional warnings, stated he understood, and chose to not answer any of my questions. See DUI Influence Report for further.
