316.193(1)	Misd	S	DRIVING UNDER THE INFLUENCE .139/.153 (TRAF1012)	1	A6UWCME	☐

The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did

On January 01, 2020 I observed a gray Nissan Altima bearing Florida license plate#: LHFP30 (VIN: 1N4AL3AP9FN388744) traveling Northbound on Interstate 75. I observed the vehicle drifting from one side of the lane over the hashed lane marker to the other side of the lane over the hashed lane marker. I also observed the vehicle straddling both the left and right hashed lane marker while traveling. I conducted a traffic stop on the vehicle to check if the driver was ill, tired, or impaired. As I approached the driver's side window, I detected the strong odor of an alcoholic beverage emanating from the vehicle. Upon contact with the defendant (driver), I observed him to have bloodshot and watery eyes and I detected the strong odor of an alcoholic beverage emanating from his breath. The defendant performed standardized field sobriety exercises (SFSEs) poorly indicating impairment. During the exercises, I observed the defendant to have eyelid tremors. Once at Central Breath Testing, the defendant provided lawful breath samples showing a breath alcohol concentration of .139/.153. I confirmed the defendant's identity via DAVID.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
