On March 11, 2020 at approximately 2159 hours, Witnesses Veloso, Curtis, Beane, and Martinez observed a black GMC Sierra pick-up truck bearing Florida tag:EGTJ30(V.I.N:3GTU2WEJ4FG361901) crash into two separate construction wall barriers belonging to the Victim while traveling southbound on Bell Shoals Road near the intersection with River Hammock Boulevard in Valrico, Florida within Hillsborough County. The aforementioned witnesses observed the driver/defendant operating the GMC Sierra at the time and immediately after the traffic crash. The traffic crash was investigated by Deputy R. Lee(ABN:255546)under H.C.S.O. case #20-190512(DHSMV#894430481) who estimated the damage caused by the crash at $10,010. As Deputy Lee was investigating the traffic crash, he detected indicators of impairment from the driver to include; bloodshot glassy eyes, slurred speech, and the strong and distinct odor of an alcoholic beverage emanating from his breath. The affiant responded to the scene and on contact with the defendant, he displayed slow and lethargic movements attempting to exit the GMC Sierra. As the affiant spoke with the defendant, she detected the aforementioned indicators of impairment as observed by Deputy Lee as well as a flight of memory as he could not recall where he was coming from or the reason why he crashed. The affiant requested the defendant perform field sobriety exercises which he refused to do. Based on the totality of the circumstances and the indicators of impairment observed, the affiant arrested the defendant for Driving Under the Influence. The defendant was transported to Central Breath Testing where he refused to provide a lawful breath sample even after Implied Consent was read at 2343 hours. The defendant identified himself via Florida Driver License.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
