| The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:<br>ON 09/10/2020 at approximately 0003 hrs, affiant conducted a vessel stop on a 2015 22' foot blue Sportsman center console boat bearing FL1939PX / Hin# SMNSH508K415 within 1 Seddon Channel south of 1 Garrison Channel, Tampa, Hillsborough County, Florida 33605 for the purpose of a safety inspection. Upon stopping the vessel, affiant made contact with the operator / defendant. During personal contact with the defendant, affiant observed signs of impairment. Affiant requested the defendant perform seated field sobriety tasks to determine if he was operating a vessel while under the influence of an alcoholic beverage and/or controlled/illegal substance. Defendant agreed to the SFSTs. Based of signs of impairment, affiant arrested the defendant for boating under the influence (0012hrs). The defendant was transported to central breath testing located within the Orient Road Jail. Upon arrival, the defendant was advised Florida Implied Consent (0124hrs). The defendant stated he understood and refused to submit to a breath test. The defendant was booked into the ORJ without incident. The defendant verbally identified himself and produced a Florida Drivers License. |                                                            |                                             |                                        |                                                                                                                                    |                   |                                                                                        |  |
| Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                        |                                                            |                                             |                                        |                                                                                                                                    |                   |                                                                                        |  |
