The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did

On the listed date, time, and location, I responded as backup for Trooper B. Mccranie #474 on a traffic stop. Trooper Mccranie advised he stopped the white sedan for nearly striking the rear of his marked patrol vehicle which he had to swerve onto the shoulder to avoid. He made contact with the defendant who was identified by her Florida DL. Trooper Mccranie advised she displayed several signs of possible impairment such as the odor of alcohol, slurred speech, and she admitted to consuming a cocktail. I was requested to take over and conduct a DUI investigation. I made contact with the defendant (still in driver seat). I observed her to have bloodshot watery eyes, odor of alcohol as she spoke, slurred speech, and she also admitted to me having a cocktail. I requested the defendant to exit the vehicle to perform FSEs. She performed poorly on HGN, WAT, and OLS. Subsequently, she was placed under arrest for DUI. She was read implied consent and agreed to submit to a lawful test of her breath. Upon completion of the 20-minute observation period she provided two valid breath samples with a BraAC of .158 and .172. The defendant was then booked into Orient Road Jail. A criminal history check revealed 1 prior DUI conviction in 2008 out of Kentucky. All of the above stated occurred in Hillsborough County, Florida.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
