The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did On 10/17/2020, at approximately 0110 hours, at Watson Rd / Collins Spring Cv., Lithia, FL 33547, Deputy Juncal (ABN 253879) conducted a traffic crash investigation (see HCSO case 20-667728 / DHSMV: 89437477) involving a red Volkswagon Jetta (bearing FL tag GKST10 / VIN: 3VW267AJ1GM214880). The complainant heard the traffic crash occur and observed the defendant behind the wheel of the above listed vehicle. During his investigation, Deputy Juncal observed the defendant to have glassy, watery eyes, slurred speech, poor balance, and he detected the odor of an alcoholic beverage emitting from the defendant's breath. Based on the observed indicators of impairment, Deputy Juncal requested a DUI investigator respond to the scene. Upon my arrival, I observed the same indicators of impairment listed above. The defendant was given the opportunity to perform field sobriety exercises, which he did poorly, indicating impairment. Subsequent to arrest, the defendant refused to submit to testing after being read implied consent. The defendant was identified via their Florida driver's license. Subsequent to arrest, while conducting an inventory search of the vehicle, Deputies located a clear glass container containing a wax substance labeled "MuV Concentrate / THC 803.1mg" in the front driver side door pocket. Upon testing the substance via a field test reagent kit, it was confirmed to contain THC.							
Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
