316.193(1)(A)	Misd	S	DRIVING UNDER THE INFLUENCE .036/.036% BrAC /// Urine Pending (TRAF1012)	1	AF2P85E	☐

The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did
 On 09/11/2021, at approximately 2222 hours, the defendant was operating a gray BMW SUV, bearing IZH88
 (VIN:5UXWX9C59F0D51288), traveling eastbound on Dorman Rd, near the intersection of Gannetdale Dr. The defendant
 drifted off the road and struck a tree (HCSO case #21-610031/ DHSMV# 24627636). The defendant was identified by the
 witness as the driver of the light gray BMW SUV at the time of the accident. Upon contact with the defendant, the affiant
 detected the distinct odor of an alcoholic beverage emanating from his breath, observed his eyes to be blood shot and watery,
 and his balance to be unsteady. The affiant requested the defendant to perform Standard Field Sobriety Exercises (SFSEs),
 which the defendant agreed to do. During the SFSEs, the defendant showed multiple signs of impairment and was
 subsequently arrested for DUI. After a proper 20 minute observation period was conducted, the defendant agreed to provide
 two lawful samples of his breath. Breath Technician K. Pequignot (ABN:255300) provided the affiant with the results and they
 are as follows: first BrAC sample .036, second BrAC .036. Given the breath samples did not match the level of impairment
 observed, the affiant requested the defendant to provide a lawful urine sample. The defendant provided a lawful urine sample
 at 0017 hours on 09/12/2021. The defendant was positively identified via his valid Florida driver's license.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my
 knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
