The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On 6/19/2022, at 0125 hours, I conducted a traffic stop on the defendant for unlawful speed at 6815 N Dale Mabry Hwy. Upon contact with the defendant, the defendant had glassy/watery eyes, unsteady balance, and the distinct odor of an alcoholic beverage emanating from her breath. Field sobriety exercises were conducted and further signs of impairment were observed. The defendant was arrested for DUI. I transported the defendant to Central Breath Testing (CBT). After a proper 20 minute observation period was conducted, the defendant agreed to provide two lawful samples of her breath. Breath technician F. Mason ABN 51920 provided me with the results and they are as follows: first BrAC sample .018, second BrAC sample .016. The defendant was identified via FL DL. Due to the defendant's BrAC not accurately reflecting her impairment level, I requested she provides a lawful sample of her urine to determine the presence of chemical and/or controlled substances. I collected the sample, impounded it into the Evidence Control Section, and requested the sample be sent to the FDLE Labs for further testing.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
