The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was driving a 2022 gray Tesla four-door bearing a Florida license plate of 24AYKK. He was traveling north on Howard Ave approaching a red light at W Platt St. Northbound traffic on Howard Ave at Platt St cannot make a right turn on a red light, and there is a sign prohibiting this turn. The defendant then made a right turn during the red light and accelerated very quickly, then pulled into the bike lane on the side of Platt St near Albany Ave. A traffic stop was made and upon making contact with the defendant he displayed multiple indicators of impairment, to include; watery and bloodshot eyes, very slurred speech, a drunk-like appearance, slow and sluggish movement, a very strong odor of an alcoholic beverage, and an unsteady stance. The defendant performed SFSEs and multiple clues of impairment were observed. The defendant was arrested for DUI and later refused to submit to a breath test despite acknowledgment of the implied consent warning.

The defendant was identified by his FL DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
