The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On May 12, 2022 at approximately 9:44 P.M I Trooper G. Galloway was running stationary radar on State Rd 60, watching eastbound traffic. I observed a black Chevy Tahoe bearing to Florida tag of JB814Y traveling at a higher than posted speed. I visually estimated the speed to be 65 MPH in a posted 50 MPH zone. I activated my Stalker Dual Radar and got a target reading of 64 MPH in a posted 50 MPH zone. I then initiated a traffic stop on the vehicle.

The vehicle was slow to stop and passed multiple driveways. The vehicle eventually pulled into a parking lot. I then made contact with the driver. the driver was identified by his Florida Driver's License as Bradley S. Johnson (J525077814510). I informed the driver why I pulled him over, I also asked for his registration and insurance. As I was speaking with the driver, I observed several indicators of impairment, Slurred Speech, Bloodshot watery eyes and a strong odor of an alcoholic beverage emitting from his breath. I asked Mr. Johnson to step out of the vehicle.

Mr. Johnson performed poorly on field sobriety exercises and was placed under arrest for Driving Under the Influence. at 9:55 P.M I asked Mr. Johnson if he would be willing to provide a breath sample to which he declined. I read Mr. Johnson implied consent, Mr. Johnson still refused to take the test I requested of him.

Mr. Johnson was then transported to the Hillsborough County Jail where he would be booked in.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
