The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

On the above referenced date and time, Deputy A. Juncal (ABN: 253879) conducted a traffic stop at the intersection of Causeway Blvd. at Brandon Town Center Dr. on a black Ford F150, bearing FL tag EYVU75 (VIN: 1FTRX17202NA73357), for a non-operable tag light. Deputy A. Juncal observed the defendant operating the vehicle and detected signs of impairment. The affiant responded to the scene, detected an odor of an alcoholic beverage emanating from the defendant's breath and her eyes were bloodshot and glassy. The affiant requested the defendant perform Standardized Field Sobriety Exercises (SFSEs), which the defendant agreed to do. During the SFSEs, the defendant showed multiple signs of impairment and was subsequently arrested for DUI. The defendant agreed to provide two lawful breath samples to determine her breath alcohol content (BrAC). Breath Technician A. Romero #261711 provided me with the defendant's BrAC results and they are follows: First BrAC sample (.165) ; Second BAC sample (.173). The defendant was identified via her FL DL. The defendant was given a DUI citation (AAZ7BQE), which reflects the DUI charge and a Uniformed Traffic Citation (UTC) for DWLS Without Knowledge and Possession of Open Container by Driver.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
