| <p>The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did</p> <p>Ofc L. Phelan stopped a black Land Rover (TX JBX8050) for suspicion of DUI after observing its driving pattern on southbound I275. The vehicle weaved onto the shoulder a few times before it got in the exit lane at the Lois Exit. It swerved at the last moment to get back on the interstate and cut across the safety zone. It swerved across four lanes into the far left lane and back to the far right lane before a stop was initiated at the West Shore Bl exit. The vehicle got off at the exit and stopped in the Florida Blue parking lot. The driver Elias Tello Jr displayed indicators of impairment to include having red glassy eyes, slurred speech, and the distinct odor of an alcoholic beverage on his breath. He refused SFST's and was arrested for DUI. He was taken to CBT where he was read implied consent and refused the breath test. Tello's identity was verified using his state of Texas driver's license.</p> |                                                            |                                                                                                                                      |                                                       |                                        |                                                    |                                                                                        |                   |
