D.U.I. PROBABLE CAUSE AFFIDAVIT

ON THE 6th **DAY OF** November **2022 AT** 2055 ☐ **A.M** ☒ **P.M.**

CASE #: 22-012823 **DEFENDANT:** GALLIANI, JOSEPH

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

On November 6th, 2022 at approximately 2050 hours, I was traveling Northbound at the 2700 block of South Federal Highway (in City of Boynton Beach) in marked BBPD police patrol vehicle 4038. While traveling Northbound I observed a Grey in color convertible sedan traveling Northbound in lane number 1 at a high rate of speed. I utilized my speed calibrated vehicle and paced the Grey BWM bearing FLtag PIN0G to be traveling 57mph in a 35mph zone. While being operated carelessly, I observed the Sedan Fail to Signal several times while leaving its travel lane to turn in front of severa vehicles. Due to the above mentioned traffic offenses, I conducted a traffic stop on the sedan that concluded at the 800 block of South Federal Highway. Let it be noted that there were several vehicles traveling on the busy roadway.

I made contact with the driver who was currently sitting in the driver seat of the previously mentioned vehicle. He was later identified as JOSEPH GALLIANI (03/07/1955) by his Florida driver license. I asked him for their license, registration and proof of insurance. As they retrieved these items I noticed his eyes were red, watery and glossy. I could smell an odor of an unknown alcoholic beverage emanating from his vehicle. When asked to provide his license GALLIANI provided me with his Florida concealed weapons permit. I asked him again for his license and he insisted he was providing me with his license. I informed GALLIANI that he is providing me with his concealed weapons permit not his license. I asked GALLIANI if they had been drinking alcoholic beverages and he informed me that he had consumed two drinks in Delray Beach within the last two hours. A small wine shaped glass was observed in the cup holder (within reach) and contained a small amount of a brown liquid. I later picked up the glass and smelled the odor of an unknown alcoholic beverage from within. GALLIANI informed me that he was being pulled over due to him not using his blinker and traveling approximately 45mph. GALLIANI stated that he does not know the speed on this roadway. GALLIANI stated that the other vehicles were obstructing the road way therefor he was speed up and turned several times. GALLIANI stated that he was speeding home to do paper work. GALLIANI stated that he was traveling on Federal Hwy and had passed Boynton Beach Blvd and is now North of Boynton Beach Blvd. GALLIANI was in fact south of Boynton Beach Blvd and had passed Woolbright Rd.

GALLIANI stated that he is familiar with the area due to him frequently traveling on this road.

Based on my suspicion, I asked GALLIANI if would consent to performing Standardized Field Sobriety Evaluations (SFSTs) for the purpose of determining if he was impaired while operating a motor vehicle. Prior to their performance, I asked if they had any physical problems with their body that would inhibit them from performing light physical exercises. I also asked if they were taking medication and he stated that he does. I asked GALLIANI to exit his vehicle and I escorted them to a level surface that was smooth and free from obstructions and debris. I could now smell a strong odor of an unknown alcoholic beverage emanating from GALLIANI'S breath that intensified when they spoke. I placed a Pink strip of masking tape on the surface that formed a line. GALLIANI identified the tape by giving its color and placing their left foot on it when prompt to do so. The following SFSTs were explained, demonstrated and acknowledged by him/her prior to his/her performance: HGN, The Walk and Turn, The One Leg Stand, The Finger to Nose and The Romberg Alphabet Recitation. Their deficiencies were recorded on another form in this work sheet. At the conclusion of the SFSTs, coupled with my observation of GALLIANI 's

NOT A CERTIFIED COPY

vehicle in motion and my observation of personal indicators of impairment exhibited by GALLIANI, probable cause was established for DUI. I told GALLIANI that he was being placed under lawful arrest for suspicion of DUI pursuant to FSS 316.193(1).

They were searched and handcuffed (double locked and checked for tightness) prior to being seated into the rear of my patrol car (Vehicle 4038). Back up Officers arranged for GALLIANI's vehicle to be towed by Beck's Towing. Inventory incident to Tow Officers observed the small glass that was mentioned above and a green pill bottle with no label. The Pills were later identified as FAMOTIDINE.

HORIZONTAL GAZE NYSTAGMUS:

- ☒ Left eye does not follow smoothly
- ☒ Left eye prior to 45 degrees
- ☐ Distinct jerking in left eye at maximum deviation
- ☐ Vertical Nystagmus in left eye
- ☒ Right eye does not follow smoothly
- ☒ Right eye prior to 45 degrees
- ☒ Distinct jerking in right eye at maximum deviation
- ☐ Vertical Nystagmus in right eye

WALK AND TURN:

This task was explained and demonstrated to GALLIANI several times, which he stated he understood and repeated some of it back to me. While demonstrating GALLIANI, was not able to keep his balance. Therefore he stepped off the line, used his arms for balance and swayed. While Performing GALLIANI, took the incorrect number of steps, used his arms for balance, swayed and turned improperly. During the second attempt had the same cues and stepped off the line. GALLIANI was also unsteady on his feet (shaking). GALLIANI was not able to perform.

ONE LEG STAND:

This task was explained and demonstrated to GALLIANI, which he stated he understood. While Performing GALLIANI, couldn't follow directions by not keeping his lifted leg straight as instructed. GALLIANI lifted foot fell and used his arms for balance. GALLIANI was given a second attempt and used his arms for balance, swayed, foot fell.

FINGER TO NOSE:

This task was explained and demonstrated to GALLIANI, which he stated he understood. While Performing GALLIANI, missed finger to nose several times. GALLIANI touched his upper lip Philtrum and his columella instead of the tip of his nose as demonstrated.

ROMBERG/ALPHABET:

GALLIANI performed the task.

I then transported GALLIANI to Palm Beach County Breathalyzer. Upon my arrival at 2151 hours, I completed the required 20-minute observation. I then requested GALLIANI provide a sample of his breath for the purpose of determining the alcohol content. GALLIANI refused my request, at which time I read him Implied Consent, which he stated he understood. A second request was made to GALLIANI to provide a sample of his breath at which point he agreed. GALLIANI complied and provided the requested breath samples. The results are: .074 and .069.

NOT A CERTIFIED COPY

GALLIANI agreed to provide a sample of his urine. Urine was later provided and submitted into BBPD evidence.

At this time, due to the above mentioned information I have established probable cause to charge GALLIANI with one count of DUI pursuant to FSS 316.193(1). I issued GALLIANI citations

Upon completion of the booking process, GALLIANI was turned over to Palm Beach County Jail.

While making contact with GALLIANI, he was argumentative, talkative, aggressive, and showed difficulty in following directions.
