The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did

The defendant was driving a gray Chevrolet 4D bearing FL tag CMGI95. The defendant was observed driving southbound on 22nd St approaching the Causeway Bridge at speeds above the posted speed limit. I paced the vehicle at speeds over 60 mph in a 45 mph zone, and then at approximately 73 mph in a 55 mph zone. The vehicle weaved in its lane causing the passenger side tires to cross the lane dividing lines and as it reached the bottom of the bridge drifted to the right again, causing the passenger side tires again to cross the fog line. I conducted a traffic stop on the vehicle for the speed violations and made contact with the defendant. The defendant exhibited indicators of impairment to include bloodshot and glassy eyes, the odor of an alcoholic beverage emanating from her breath, unsteadiness on her feet and admission of drinking. The defendant participated in SFSE's which showed further indicators of impairment and was subsequently arrested for DUI.

The defendant refused to provide a breath sample after being advised Implied Consent.

The defendant was ID'ed via FL DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
