On Friday, September 23rd, 2022 at approximately 0411 hrs while in the area of Congress Avenue and Forest Hill Blvd, in the city of Palm Springs, Palm Beach County, Florida, 33406 I observed A white Honda Accord 4DR bearing Florida License Plate DGD7365 stopped at the intersection in the center number two south bound lane of travel with it's brake lights activated and right turn signal on I observed a United State Postal Service Tractor Trailer stopped behind the Honda Accord.

I observed the traffic signal turn green I proceeded through the intersection passing the US Postal Service truck and the Honda Accord as I did so I observed the driver of the Honda Accord appeared to be laid over to her right passed out. I traveled approximately half a block away to make a u-turn as I did so I observed that the Honda Accord still was not proceeding through the intersection. I observed the US Postal Truck back up and proceed around the Honda Accord passing it on the left side continuing south bound through the intersection on a green traffic signal while the Honda Accord maintained it's location stopped in the center number two lane of travel.

I proceeded back north bound approximately half a block to make another u-turn to get behind the Honda Accord which still had it's brake lights activated and it's right turn signal activated. I moved my marked patrol vehicle behind the Honda Accord I observed the driver of the Honda Accord through the rear window of the vehicle still passed out behind the wheel of the vehicle. I observed that the driver was the sole occupant of the vehicle.

Due to the Honda Accord possibly being still in drive I repositioned my marked patrol vehicle to the front of the Honda Accord in order to prevent it from rolling into east bound and west bound cross traffic on Forest Hill Blvd causing a accident.

I then proceeded to the Drivers Side of the vehicle where I attempted to wake the driver after several minutes the driver woke and I was able to get her to open the drivers window and door. I made contact with the driver who appeared confused, I asked her for her drivers license, registration and proof of insurance, the driver proceeded to search for her license registration and insurance as she did so I asked her where she was coming from to which she replied a friend's house. I noted that her speech was slurred, she was very slow in locating her documents., and her eyes were red and watery.

I asked the driver if she consumed any alcohol tonight to which she stated "not a lot, a few". The driver was able to locate her license and registration which she provided me with. I observed her photograph affixed to her drivers license which identified her as Marie Bonadio.

Bonadio stated that she had motor vehicle insurance however she did not have a insurance card because the insurance companies no longer issue insurance cards, she continued to fumble around the inside of her car picking up her phone in an attempt to locate insurance information, she became distracted and dialed her boyfriend's phone number, as she did so she fumbled her phone which left her hands and landed in the center console.

Based on my observations I believed Bonadio was operating her motor vehicle under the influence of an unknown alcoholic beverage therefore I contacted Investigator W. Amadon I.D. 9440 of the Palm Beach County Sheriff's Office D.U.I./Traffic Unit and requested that he respond to the scene to conduct a D.U.I. Investigation.
