PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 3 day of December, 2022 at 03:20 (Specifically include facts constituting cause for arrest.)

On 12/03/2022 at approximately 0320 hours, this Officer was in the area of the Alt A1A and Hood Rd, PBG, FL, when a vehicle was observed traveling at an increased rate of speed south bound in the middle through lane. Body worn camera and in car video were used.

This Officer`s initial visual estimation of the vehicle, was approximately 75 MPH in a posted 50 MPH zone. Using RADAR Stalker DSR2X (DB001317), front antenna (KC086606) this Officer received a steady tone and reading of 73 MPH. The RADAR calibration was last checked on 11/18/2022 and was due on 05/18/2023. Prior to this tour of duty on this date, this Officer ensured the RADAR was in working order, to confirm the accuracy of the unit. At the end of this tour of duty, this Officer did the same. This Officer received RADAR/LIDAR certification on 05/31/2008, in Cannon AFB, NM. The vehicle also did not have any rear lights activated and was drifting between lanes. The vehicle, a Jeep utility (DEIW57/FL) drifted between the middle and outside through lanes three times before ultimately changing lanes into the outside through lane.

This Officer initiated a traffic stop on same at the entrance to the south bound Interstate 95 ramp. This Officer made a driver side approach and made contact with the driver, identified via Florida Driver License photo, Melissa Reinhart (OF), while she was still in actual physical control of same. Reinhart had slurred speech, glossy watery eyes and eyes were open very wide. Reinhart spoke very quickly, jumped from topic to topic and made very quick movements as she spoke. Reinhart said she was coming from Jupiter, Topside Beacon where she had just worked for 14 hours and was on her way home. Reinhart had difficulty locating her driver license, which took an extended period of time, before she finally handed it to Ofc Arnold 441. While Reinhart was looking for her documentation in this Officer`s presence, she began to become upset and cry. When this Officer reapproached the vehicle, Reinhart said she was unaware her license was suspended. Reinhart then denied consuming alcohol, prescriptions, narcotics

and/or Cannabis.

Based on this Officer`s observations, Reinhart was asked to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which she complied. Reinhart said she did not have any medical conditions which would affect the exercise performed.

The first exercise conducted, was the Horizontal Gaze Nystagmus. The stimulus used a was Streamlight Stylus with an illuminated red tip. This Officer did not observe any involuntary jerking in either eye. This Officer did have to tell Reinhart to properly follow the stimulus four times.

The second exercise conducted, was the Walk and Turn. The line used, was a strip of yellow tape placed upon the pavement by this Officer. During the instructions, Reinhart became restless and exited the starting position by constantly moving her arms. During the first set of steps, Reinhart raised her arms more than six inches for most of the attempt. Reinhart missed heel-to-toe three times and took eight steps rather than nine. During the turnaround, Reinhart pivoted on both feet. During the return set of steps, Reinhart again raised her arms more than six inches from her sides, for most of the attempt. Reinhart missed heel-to-toe on each step and on the fourth step, she lost her balance and stepped back. Reinhart stepped off the line to the right on the fifth step and again took eight steps rather than nine. For the duration of the exercise, Reinhart did not count aloud.

The third exercise conducted, was the One-Leg Stand. During the exercise, Reinhart raised her right foot. Reinhart bent her raised knee and did not look down at her raised foot. Reinhart also swayed and kept her arms raised more than six inches from her sides. Reinhart placed her foot down three times, thus ending the exercise early.

The fourth exercise conducted, was the Finger to Nose. During the exercise the following observations were made: First command of Left, Reinhart touched the tip of her nose with the middle pad of her finger. First command of Right, Reinhart touched the tip of her nose with the pad of her finger. Second command of Left, Reinhart again touched the tip of her nose with the middle pad of her finger. Second and third commands of Right, Reinhart touched the tip of her nose with the pad of her finger. Final command of Left, Reinhart touched the tip of her nose with the pad of her finger.

The final exercise conducted, was the Rhomberg Balance. Reinhart recited the alphabet properly, however, was swaying noticably back and forth.

Based on this Officer`s observations, Reinhart was placed under arrest at 0251 hours. During a tow inventory of Reinhart`s vehicle, items of interest and contraband was located. On the driver seat, this Officer located a glass bulb pipe in a brown paper bag. This pipe did not appear to be used, but based on this Officer`s training and

experience, this Officer believed this item was related to illicit narcotic use. In the front passenger side compartment, this Officer located a similar glass bulb pipe which appeared to be burnt. Behind the front passenger seat, this Officer located a silver or gray bag which appeared to have been hastily concealed in the location, since it was well within her actual physical control. Inside the bag, this Officer located a photo identification card from New York, with Reinhart`s information on same. This Officer located two clear glass vials with a clear rock-like substance located within. These substances later field tested positive as Methamphetamine (weight with the vials was 7.36 grams and 7.58 grams respectively). Also located in the bag was a clear plastic baggy with a white powdery substance, which later field tested positive as Cocaine (.43 grams). A clear plastic baggy with black powder which also field tested positive as Cocaine (.39 grams). Lastly, a small button activated container contained a brownish colored rock substance, which field tested positive as Cocaine based (.11 grams) and a whole circular orange pill stamped "A 8 0", which based on this Officer`s training and experience was Adderall. This Officer also located multiple white straws, some broken to smaller lengths, throughout the bag.

Ofc Luscavich 513 advised Reinhart of her Miranda Warnings to which she acknowledged. Reinhart admitted to Methamphetamine, Cocaine and Adderall being in the vehicle to her knowledged. Reinhart also uttered about no one knowing she "uses".

At PBSO BAT, this Officer requested Reinhart provide a breath sample for the purpose of determining its alcohol content, to which she asked what would happen if she didn`t. This Officer read Florida Implied Consent to Reinhart to which she acknowledged and agreed to do so. At 0413 hours and 0416 hours, she blew .000. This Officer then requested Reinhart provide a urine sample for the purpose of detecting the presence of chemical and/or controlled substances, to which she again asked what would happen if she did not. This Officer again read Florida Implied Consent to Reinhart to which she acknowledged and agreed to do so and did at 0423 hours.

Based on the results of the investigation, this Officer has probable cause to prove Melissa Reinhart operated a motor vehicle, in the county of Palm Beach, in the state of Florida, while under the influence to the extent her normal faculties were impaired, in violation of FSS 316.193(1)(A). Reinhart was also knowingly in possession of three banned substances, in violation of FSS 893.13(6)(A). Lastly, Reinhart was in possession of Drug Paraphernalia, in violation of FSS 893.147(1).
