PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 26 day of December, 2022 at 23:09 (Specifically include facts constituting cause for arrest.)

On Monday December 26th, 2022, at 1948 hours, I was dispatched to 6057 Lauderdale Street in reference to a gray Lexus SUV that struck a parked black Chevy truck.

Upon arrival, I made contact with Officer Wyatt and multiple others residents who were outside standing near the gray Lexus that was in the swale off the roadway. Officer Wyatt stated that the white-female standing near the Lexus, later identified as the driver, and owner of the vehicle, Molly Curtis (12/24/1987), was being uncooperative and had very slurred speech, the odor of an unknown alcoholic beverage emanating from her breath that intensified as she spoke and was swaying back and forth.

While Officer Wyatt conducted his crash investigation, I made contact with a witness John Coleman (W/M 09/06/1969), who gave a sworn statement stating that he was walking outside and heard a loud "bang" and saw a gray Lexus (bearing FL Tag#IMLX87), crashed into the swale in front of his house. Coleman stated that he saw Curtis get out of the driver-seat of the vehicle and took a picture of her license plate because he felt she was going to attempt to leave the area. Coleman also advised that he believed Curtis was impaired and had her [redacted], sitting in the backseat of the SUV and was now with a neighbor. Officer Seier made contact with another witness, Elizabeth Castro (W/F 07/31/1983), who stated she also saw Curtis behind the wheel and her crash her vehicle into the Christmas lights of a driveway. See Officer Seiers supplemental report for further.

I made contact with Curtis who was standing with Officer Wyatt next to her disabled vehicle. Officer Wyatt advised Curtis that he found her at fault for the crash and was turning the investigation over to me. I introduced myself and immediately read Curtis Miranda warnings from a pre-printed card and advised her I would be conducting a DUI investigation based of the aforementioned events. I immediately detected the odor of an unknown alcoholic beverage emanating from her breath that intensified as she spoke.

PROBABLE CAUSE STATEMENT

Curtis was noticeably swaying back and forth, had blood-shot glassy eyes, and slurred speech. Curtis stated that she was not in an accident and just wanted to get home. She admitted to having two glasses of wine and stated once again that she was not in an accident. I advised Curtis that her vehicle had damage to the front passenger side and had tire marks in the grass that lead right from where the black Chevy truck was parked in the driveway and struck on the rear bumper to her car. Curtis stated that I requested she participate in Standardized Field Sobriety Exercises to which she stated she just wanted to go home and did not do anything wrong. I advised her that if she refused to complete the tasks I have requested of her, I would have to make an arrest decision based off the totality of circumstances and it can be used against her in a court of law. She subsequently stated she wanted an attorney and refused.

Curtis was placed into handcuffs and walked back to my patrol car. As we were walking back to my patrol car, she continued to state that she now wanted to comply and participate in the field sobriety exercises. I explained to Curtis that I already gave her an opportunity twice and she refused, however, since she was stating she now wanted to comply and be given a chance, I would take her out of handcuffs and give her the opportunity to participate. Curtis stated she would and was taken out of handcuffs and walked back to the area where I was going to complete the exercises. As we walked to the front of my patrol car, Curtis was very uneasy on her feet almost falling over multiple times and even held onto two different patrol cars for balance.

The first task I began with the Horizontal Gaze Nystagmus task. I instructed Curtis to stand with her feet touching (heel & toes) and to keep her arms down at her side. I demonstrated to Curtis that she would be following my stimulus (red light) with her eyes and her eyes only and to keep her head still at all times. Curtis stated she understood the instructions and was ready for me to continue. Curtis eyes had no resting nystagmus in either eye and both eyes tracked together equally. I observed lack of smooth pursuit in both eyes, distinct and sustained nystagmus at maximum deviation in both eyes, and onset of nystagmus prior to 45 degrees in both eyes. She did not have vertical Nystagmus in either eye. Curtis had to be reminded to get back into the standing position multiple times, could not keep focused on the stimulus, was noticeably swaying back and forth, and even asked if she could hold onto me during the task because she was having difficulty standing.

The second task was the Walk & Turn. I instructed/demonstrated Curtis to stand on the silver-line of tape I had laid out on the flat surface with her left foot on the line with her right foot touching her left foot (heel to toe) with her arms at her side. I instructed/demonstrated Curtis that this was the starting position, to which she was unable to maintain and continued to sway back and forth and falling out of the positon. I instructed/demonstrated Curtis to take nine heel to toe steps down the line and take a series of small steps then return down the line heel to toe nine steps. While walking down the line, I told her to make sure to count out loud, look at her feet at all times,

do not stop walking until she is done, and not to use her arms for balance. Curtis almost fell multiple times and was unable to maintain the starting position. Before I asked Curtis if she had any questions or needed a further explanation, she began walking down the line missing heel-to-toe and falling off the line on the first 4 steps before she stopped and just stood there. Curtis stated I was judging her and walked back to the front of the line. Curtis began to argue with me and state she wanted an attorney, I was embarrassing her in front of her son, and was just trying to get home. Curtis once again was advised that if she refused to complete the tasks I have requested of her, I would have to make an arrest decision based off the totality of circumstances and it can be used against her in a court of law. She continued to ask for an attorney and argue with me. She was placed into handcuffs at 1937 hours.

While walking Curtis back to my patrol car and Officer Shaff searching her person incident to arrest, Curtis began to yell and state she did not do anything wrong and was going to sue the police department. Curtis continued to not listen to myself or Officer Shaff and was physically tensing, pushing and pulling away from both of us while attempting to turn around and yell in our faces.

[redacted] was transported to her address at 6297 Lauderdale Street where her husband, Jeffery Gozzo (2/8/1981), was advised of the situation and given her purse and jewelry she was wearing. DCF will be notified of the incident.

Based on my investigation, observations, and totality of circumstances, I had probable cause to believe that Molly Curtis was in actual physical control of a vehicle while under the influence of an alcoholic beverage, chemical, or controlled substance, to the point where her normal faculties were impaired, contrary to F.S 316.193, had her 8 year-old son in the vehicle while driving impaired neglecting his safety and putting him in harm`s way contrary to F.S 827.03(3)(A)(1), and interfered with an officer (myself) while trying to conduct my legal lawful duties by pushing, pulling, and tensing away from me contrary to F.S 843.02.

Curtis was transported to the Jupiter Medical Center even though she did not suffer any visual injures, however, requires medical clearance per PBSO policy. She was subsequently transported to the Palm Beach County Breath Alcohol Testing center, arriving at 2116 hours. I placed Curtis under a 20 minute observation period, during which she neither consumed nor regurgitated anything. We then went on video with BAT technician Pound#24639. I requested Curtis provide a breath sample to which she refused. She was read implied consent from a pre-printed template to which she stated she did not understand and wanted to consult an attorney. Curtis was read implied consent again and subsequently refused. Curtis also refused to sign her criminal DUI citation#ADB9KEE and was charged with refusal to sign/accept criminal citation contrary to F.S 318.14(3).

I placed Curtis in holding while all necessary paperwork was completed and subsequently
