Probable Cause

While on Patrol on 12/21/2022 at 9:35 pm, I was traveling northbound on State Road 7 just west of State Road 704. I observed several vehicles pass the subjects vehicle which was driving without headlights. I activated my in-car video and observed a driving pattern of the subject. The vehicle kept drifting to the right off the roadway and in a jerking manner return to its lane, the vehicle would brake for no reason then would start following the vehicle in front of them too closely. The vehicle drifted to the right of his lane onto the shoulder, while driving on shoulder several times and twice crossed over the double yellow line into oncoming traffic. As we approached Orange Grove Blvd. the vehicle in a jerking manner as almost missing its turn pulled into the left turn lane and turned onto Orange Grove Blvd. At this time, I activated my emergency equipment (lights and siren) and conducted a traffic stop.

The vehicle pulled to the right and stopped somewhat in the intersection of 110 Avenue North.

I approached the driver, Paul Brain Guitard, later identified by his Florida Driver's License, and asked for his DL, registration, and insurance. I advised Mr. Guitard that I stopped him for multiple reasons (failing to maintain his lane, driving without headlights, open container). I observed a cup in the center console with a red liquid substance. I asked Mr. Guitard to hand me the cup. As he handed me the cup, he stated it was his wife's coffee. I smelt the liquid which looked and smelt like red wine. I observed two red wine stains on Mr. Guitard shirt. Mr. Guitard continued requesting to see the cup stating it was not his and it was coffee. During my whole encounter with Mr. Guitard, Mr. Guitard was verbally combative, uncooperative, and argumentative. I smelled an obvious odor of an alcoholic beverage emitting from Mr. Guitard breath, his eyes were bloodshot, glassy and watery. Mr. Guitard speech was slurred and mumbled, and his face was flush.

Mr. Guitard continued several times showing me his concealed weapons permit even though I was requesting his registration and insurance. When I instructed him to exit the vehicle he refused. I requested additional units. I opened the door, and he exited the vehicle. Mr. Guitard was unsteady on his feet.

I smelled an obvious odor of an alcoholic beverage emitting from Mr. Guitard breath, his eyes were bloodshot, glassy and watery. Mr. Guitard speech was slurred and mumbled, and face was flush. I asked Mr. Guitard if he had any injuries or illnesses that would affect his performance on SFST. Mr. Guitard stated his hips, knee and elbow. I asked Mr. Guitard if he would take several voluntary SFST and he refused. As I went to handcuff Mr. Guitard, he became violent and resisted by pulling away tensing up and started walking away. I stopped him and he started yelling I'll take the Fucking tests and invaded my personal space. I allowed the SFST to continue.

The following tasks were explained then demonstrated by me and then performed by Mr. Guitard:
1) HGN- Mr. Guitard instead of touching the top of the pen, missed and touched the center of the pen. Mr. Guitard moved his head had lack of smooth pursuit, distinct nystagmus at maximum deviation and onset prior to 45 degrees.

2) WALK AND TURN- Mr. Guitard stepped off the line during the instructional phase, started prior to being instructed. Mr. Guitard was uncooperative, failed to listen to instructions, was unsteady on feet, feel off the line during instruction phase numerous times. Mr. Guitard kept stating he did not understand instruction, even when they were demonstrated to him. He was agitated and kept saying I did the test and passed, how many times do I need to do it, even though he had not complied yet. At one point while in the starting position was flapping his arms prior to falling off the line.

At this time a Palm Beach Deputy arrived on scene. Mr. Guitard stated he was no longer going to talk to me and tried interacting with the deputy. The deputy told him to step back and listen to the Trooper. Mr. Guitard refused to comply and continue with SFST. I went to arrest and handcuff Mr. Guitard, Mr.

Guitard fought both myself and deputy by pulling away, tensing up, balling his fists. I stepped back and drew my taser, while giving verbal commands. Mr. Guitard stopped resisting and was ordered to the ground. Mr. Guitard refused, and the deputy used a takedown maneuver and took Mr. Guitard to the ground where he was handcuffed. Deputy detained Mr. Guitard in his vehicle until Trooper Grant # 1626 arrived with a vehicle with a cage. Trooper Grant transported Mr. Guitard to the Palm Beach County Jail for processing. Mr. Guitard vehicle was towed by Sheehan's Towing. The traffic stop and roadside tasks were on in car video that was later downloaded to the server. Mr. Guitard was also on video at the Palm Beach County Jail during implied consent and questioning post Miranda. Mr. Guitard refused to submit to the lawful test for breath at 11:19 pm.

Note: While on video at the BAT during implied consent Mr. Guitard refused to comply with any questioning and the process, Mr. Guitard kept repeating Lawyer over and over as he did not comply, I took this as a refusal. While at BAT I performed a 20 minute observation. While on Patrol on 12/21/2022 at 9:35 pm, I was traveling northbound on State Road 7 just west of State Road 704.
