The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did: On 06/05/2022, at approximately 0328 hours, the affiant conducted a traffic stop on a black Honda Civic, bearing Florida tag GLGE48 (VIN:19XFC1F3XKE017486), to check on the well being of the driver: to see if they were ill, tired, or impaired. Upon contact with the driver/defendant, the affiant detected the distinct odor of an alcoholic beverage emanating from the defendant's breath, observed her eyes to be red/bloodshot and watery, her movements to be slow and lethargic, and her balance to be unsteady. The affiant requested the defendant to perform Standardized Field Sobriety Exercises (SFSEs), which the defendant agreed to perform. During the SFSEs, the defendant showed multiple signs of impairment and was subsequently arrested for DUI. After a proper 20 minute observation period was conducted, the defendant agreed to provide two lawful samples of her breath. Breath Technician M. Jones (ABN:257758) provided the affiant with the results and they are as follows: first BrAC sample .191%, second BrAC .189%. The defendant was positively identified via her Florida driver's license.
