PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☒ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person commit the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 14 day of September, 2022 at 02:30 (Specifically include facts constituting cause for arrest.)

On 09/14/2022 at approximately 0230 hours, this Officer was traveling east bound on PGA Blvd in the area of Mall Rd, PBG, FL, when a vehicle was observed drifting within its lane. Body worn camera and in car video were used.

This Officer observed a Mazda sedan (69JHQ/FL) drifting side-to-side within the middle through lane from east of Mall Rd until both that vehicle and this Officer stopped at a red light for Fairchild Gardens Av. The vehicle then continued west bound at approximately 38 MPH, confirmed via vehicle pace (PD #16474 calibration due on 11/09/2022) in a posted 45 MPH zone. The vehicle then drifted out of its lane to the right, twice while traveling over the PGA Blvd flyover overpass of Alt A1A. As the vehicle came around the curve in the road west of the flyover, the vehicle was traveling along the lane dividing line which separates the right lane from center lane. The driver then applied the brakes when approaching a green light through the intersection of I-95`s south bound exit ramp. The driver then applied the brakes two more times for no apparent reason, befor drifting into the inside through lane then ultimately over the solid white approach line to enter the outside left-hand turn lane to go south bound on N Military Trail. Once the traffic light changed to green the vehicle executed a left-hand turn onto N Military Trail heading south bound. This Officer activated overhead red and blue lights to initiate a traffic stop on same in the 10800-blk of N Military Trl. The vehicle then slow rolled to a stop on the right side of the road in the 10600-blk of N Military Trl, PBG, FL.

This Officer made contact with the driver and sole occupant, identified via Florida Driver License photo, Savannah Waters (OF) while she was still in actual physical control of same. Waters had glassy watery eyes, flushed red face, slurred speech and appeared to have difficulty gathering her thoughts. This Officer was able to detect the strong obvious odor of an unknown alcoholic beverage emanating from her breath at conversational distance. Waters mentioned being at odds with her husband and that she

PROBABLE CAUSE STATEMENT

was coming from work at Cooper`s Hawk. Waters had difficulty locating her registration, the registration she ended up providing expired in 2019. Waters when asked how much she had to drink tonight, Waters paused then admitted to consuming "a few glasses of wine". It should be noted Cooper`s Hawk closed approximately five and a half hours prior to this contact.

Based on this Officer`s observations, Waters was asked to exit the vehicle to participate in Standardized Field Sobriety Exercises, to which she complied. Waters said she did not have any medical conditions which would affect the exercises performed.

The first exercise conducted, was the Horizontal Gaze Nystagmus. The stimulus used was a Stylus Streamlight with an illuminated red tip. This Officer observed a lack of smooth pursuit in both eyes and sustained involuntary jerking in both eyes at maximum deviation. Waters also had the onset of Nystagmus prior to 45 degrees in both eyes. Waters had to be instructed again to properly follow the stimulus.

The second exercise conducted, was the Walk and Turn. The line used, was a strip of yellow tape placed upon the pavement by this Officer. During the instructions Waters stepped out of the starting position. During the first set of steps, Waters raised her arms more than six inches from her sides. Waters conducted an improper turnaround by way of pivoting on both feet, then having to pause to steady herself. During the return set of steps, Waters raised her left arm more than six inches from her side and took eight steps rather than nine.

The third exercise conducted, was the One-Leg Stand. During the exercise, Waters raised her right foot. Waters swayed throughout the exercise and raised both of her arms more than six inches from her sides. Waters dropped her foot to the pavement and then asked if she needed to start over. Waters raised her foot and continued the exercise. Waters again swayed and raised her arms more than six inches from her sides.

The fourth exercise conducted, was the Finger to Nose. When told to begin, Waters leaned back and brought both her hands up without being instructed to do so. Waters then touched both her finger tips together, twice, then tilted her head forward and opened her eyes. This Officer then instructed Waters further and restarted the exercise. The first command of Left, Waters hesitated for an extended time, then used the pad of her finger to touch under the tip of her nose. Waters then had to be told to lower her hand. The first command of Right, Waters touched her right cheek, then the right side of her nose and had to be told to lower her hand. The second command of Left, Waters searched for the tip of her nose, touched it with the pad of her finger, had to be told to lower her hand and also tilted her head forward then back. The second command of Right, Waters touched the tip of her nose with the pad of her finger and had to be told to lower her hand. The third command of Right, Waters touched the tip of her nose with the pad of her finger and had to be told to lower her hand. The final

command of Left, Waters touched the tip of her nose with the pad of her finger and had to be told to lower her hand.

The fifth exercise conducted, was the Rhomberg Alphabet. During the exercis[redacted]Waters was swaying and paused several times while reciting the alphabet. Waters pa[redacted]d on the following letters: G, M, O, S, T, V, X.

Based on this Officer`s observations and the totality of the circumstances, Waters was placed under arrest at 0248 hours. At PBSO BAT, this Officer requested Waters to provide a breath sample for the purpose of determining its alcohol content, to which she agreed to do so. During her first breath attempt, Waters did not follow PBSO BAT Tech Ragin`s instructions, resulting in an invalid sample. This Officer then read Florida Implied Consent to Waters, twice, to which she acknowledged and agreed to continue. During the second breath attempt, Waters again failed to follow Ragin`s instructions, again resulting in an invalid breath sample. This second failure to submit to a breath sample was recorded as a refusal at 0356 hours. The two invalid samples did detect alcohol content on Waters` breath. The first attempt at 0349 hours recorded a partial sample of .184 and the second attempt at 0355 hours, recorded a partial sample of .192.

Based on the results of the investigation, this Officer has probable cause to prove Savannah Waters operated a motor vehicle, in the state of Florida, while under the influence to the extent her normal faculties were impaired, in violation of FSS 316.193(1)(A).
