PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

- [ ] committed the below acts in my presence.
- [ ] confessed to _____ admitting to the below facts.
- [ ] was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.
- [X] was found to have committed the below acts, resulting from my (described) investigation.

On the 21 day of October, 2022 at 03:56 (Specifically include facts constituting cause for arrest.)

On 10/21/2022 at approximately 0237 hours I responded to 1100 S Federal Hwy in reference to a traffic stop initiated by Officer Saavedra.

Upon arrival, I met with Officer Saavedra who stated he initiated a traffic stop on a white Hyundai bearing FL tag# EYYP48. See Officer Saavedra`s supplement for further information.
I then approached the vehicle and smelled a strong odor of marijuana. I then had the driver, Sean Silverman, step out of the vehicle to be searched. I then placed Sean into handcuffs to detain him for my investigation. While searching the car I located a clear glass bottle named Tito`s Vodka on the driver`s side door, crushed blue pills in a vile on Sean`s keychain, and marijuana rolled similar to a cigar in the center console. Officer Saavedra read Sean his Constitutional Warnings from a department-issued preprinted card. Sean advised the blue pills were Adderall that he takes for his ADHD while in school. When asked to present a prescription Sean stated that it was at home, and he was not in possession of it. Sean also stated that the liquid container was not open, but Officer Anjos advised he saw Sean place a bottle cap onto the clear glass bottle labeled Tito`s Vodka. Refer to Officer Anjo`s supplement for further. Sean then revoked his rights and wishes to have his lawyers present.

I visually observed the pill and noted `502` imprinted on one side and `1 0` imprinted on the other side. The pill was blue in color and circular in shape. Poison Control identified the pill as 10mg of Amphetamine scheduled ii narcotics.

Based on the fact that I located the blue pill attached to Sean`s keychain and that it was identified as a controlled substance, I developed probable cause to place Sean Silverman under arrest per F.S.S. 893.13(1) for possession of a controlled substance. Sean Silverman was booked and processed at BRPD Booking and TOT County Jail.
