Probable Cause Affidavit

Before me this date personally appeared NAVARRO, CASIMIRO (11195) who being first duly sworn deposes and says that on 14 day of January, (year) 2022 at (crime location) the above named defendant committed the above offenses charged and the facts showing probable cause to believe the same are as follows

I approached Workman (Def) and told her that she was not allowed to touch or grab any of the employees at which time she said something about falling in the restroom. Before I could say anything else, Workman (Def) stated "You better watch your next move" and poked me in the chest with her right hand. At that point Workman (Def) was told to leave the venue and she refused. When I warned her that she would be arrested, she stated "Take me to jail". As I was about to arrest Workman (Def) she complied and left.

Approximately 40 minutes later, Workman (Def) returned and was again told to leave the venue. Workman (Def) again refused to leave the venue and again stated "Take me jail", this time I complied with her demand. Workman (Def) was arrested, charged accordingly and transported to the Broward County Jail. BWC was activated.
