ON THE 22 **DAY OF** October **2022 AT** 1818 ☐ **A.M** ☒ **P.M.**

CASE #: 22-012085 **DEFENDANT:** Bonilla, Suelen Mariela

PERSONAL CONTACT/DRIVING PATTERN/OBSERVATION OF DRIVER:

On 10/22/2022, at approximately 1818 hours, I responded to the second-floor parking garage of 625 Casa Lomo Blvd., Boynton Beach FL 33435 to assist Boynton Beach Fire Department. While en route, BBPD Communications advised that the driver and sole occupant of the vehicle, later identified as W/F Bonilla, Suelen (08/26/19) was possibly drunk, in a black Jeep Cherokee with the vehicle running.

Upon arrival, BBFD was already on scene and provided medical treatment, RUN (22-013168). Bonilla refused to be transported to the hospital for further care.

The security guard and caller, B/M Colon, Thomas (05/13/1985) advised that he observed a black 2015 Jeep Cherokee bearing, (FL Tag JCCI40) stopped in the middle of the parking garage, not in a parking space, with the vehicle running. When Colon made contact with the driver to see if she was okay, she was unable to respond to his questions. She appeared to be unconscious. Colon then immediately called emergency services.

When I made contact with Bonilla, I had asked Bonilla where she was coming from which she stated, "Florida". While speaking with Bonilla, I detected the odor of an unknown alcoholic beverage emanating from her breath, which intensified as she spoke. Bonilla's eyes were bloodshot/glassy and her speech was thick and slurred. I requested Bonilla's driver license, which she advised she had one. However, Bonilla became distracted by the band aid on her fingertip, and was unable to remember to provide me with her license. At this point, due to the fact that I suspected Bonilla of operating a motor vehicle while under the influence of an alcoholic beverage, I requested Bonilla to exit the vehicle; which she complied. While exiting the vehicle, Bonilla used her door for support. She was unsteady on her feet and waved her arms to balance. While speaking with Bonilla outside the vehicle, I reassured that she understood the reason for officers being present. I had asked Bonilla if she was prescribed any medications which she stated that she is prescribed over one -hundred different medications, which she takes daily and consumed today. Bonilla was unable to provide me with a single name of her prescribed medication. Still, outside the vehicle, I detected the odor of the unknown alcoholic beverage emanating from Bonilla's breath. I explained to Bonilla my observations, which she understood. At this point, I ask requested Bonilla if she would be willing to submit to a series of Standardized Field Sobriety Task, which she agreed. Prior to beginning, I asked Bonilla if she had any disabilities and/or injuries; which she stated no.

Pen Exercise

Prior to beginning, Bonilla was asked if she wore any glasses/contacts, which she replied no. Bonilla was asked if she had trouble balancing and/or walking in her high heels and would like to remove them for the tasks, which she stated that she would like to keep them on. I attempted to explain to Bonilla the instructions but she was unable to keep focus. When telling her where to stand, she began to walk in circles, unsteady on her feet. She rambled on about how boyfriend in incomplete sentences and was not able to comply to my instructions. Bonilla was explained numerous times where I needed her to stand, to begin the task. Bonilla became emotional and used profanity towards officers. I attempted to explain the instructions once again, and advised Bonilla to keep her feet together with her arms by her side. At this

time, Bonilla grabbed onto me for balance. Due to her safety, Bonilla was detained (placed in handcuffs D/L and checked for tightness) and places in the back of my patrol vehicle (4744).

Bonilla was explained the circumstances once more, but was unable to comprehend what was going on. I had asked Bonilla if she would be willing to submit to a series of Standardized Field Sobriety Task, which she mumbled no and continued to ramble on about other topics. I then explained to Bonilla her Taylor Warnings, which she stated that she understood. I then asked Bonilla a second time if she would be willing to submit to the roadsides, which she refused again. I then read Bonilla her Miranda Warnings, which she understood. Bonilla advised she was impaired, but did not advise what or how much she consumed. Bonilla then advised she would not answer any other questions. As a result, Bonilla was arrested for suspicious of DUI.

Bonilla was transported to the Palm Beach County BAT facility. I arrived at the facility at 1935 hours, and started my 20-minute observation. Upon completion, I requested Bonilla to provide a sample of her breath to determine the alcohol content, which she refused. I then read Bonilla Implied Consent, which she stated that she understood. I then read Bonilla her Miranda Warnings, which she stated that she understood and wanted a lawyer.

Based on the facts, Bonilla was charged with Driving Under the Influence pursuant with F.S.S. 316. 193.1.A. Bonilla was processed and later TOT PBCJ.

BWC activated.
