PROBABLE CAUSE STATEMENT

The undersigned certifies and swears that he/she has just and resonable grounds to believe, and does believe that the above named Defendant committed the following violation of law.

The Person taken into custody . . .

☐ committed the below acts in my presence.

☐ confessed to _____ admitting to the below facts.

☐ was observed by _____ who told _____ that he/she saw the arrested person committ the below acts.

☒ was found to have committed the below acts, resulting from my (described) investigation.

On the 6 day of November, 2022 at 20:14 (Specifically include facts constituting cause for arrest.)

On 11/06/2022 at approximately 1941 hours, I responded to the area of 2700 St Andrews Blvd as a backup officer to Sgt. Van Camp`s traffic stop.

Upon arrival, Sgt. Van Camp informed me that he stopped the vehicle, a silver Jeep bearing MA tag 383HW1, for a welfare check after he observed this vehicle failing to maintain its single lane and swerving into other lanes, causing other vehicles to depress their brakes. Sgt. Van Camp made contact with the driver and sole occupant of the vehicle, identified by his MA DL to be Zachary Lane, and observed signs of impairment. I also made contact with Lane still seated in the driver seat of the vehicle. Upon asking Lane where he was coming from, he advised he lied to the other officer and said he was coming from Duffy`s, but he was really coming from O`Briens, a local bar in downtown Boca Raton. Lane stated he was heading to his residence in Timbercreek. While speaking with Lane, I noticed Lane had slurred speech, his eyes were red, glossy, and bloodshot, and I could smell a strong odor of an unknown alcoholic beverage emanating from the driver side of the vehicle. Lane was also having difficulty maintaining eye contact with me. Concerned that Lane was possibly operating a motor vehicle while under the influence of alcohol, I asked Lane if he would be willing to participate in field sobriety tasks to dispel my alarm that he was under the influence. Lane agreed and willingly stepped outside of his vehicle.

I guided Lane over to a solid white line on a flat, dry, and well-lit surface. Lane advised he does not have any physical injuries, he does not have any medical issues, he does not take any prescription medications, his highest level of education is a high school diploma, he is not diabetic and does not take insulin, his first language is English, he does not have any issues with his eyes that are not corrected by contact lenses or glasses, and he had a drink. I asked Lane to point to the solid white line we would be using and say its color, to which Lane replied "white" and pointed to the solid white line. I explained and demonstrated each task before Lane performed them. While

PROBABLE CAUSE STATEMENT

Lane was outside of the vehicle, I could still smell a strong odor of an unknown alcoholic beverage emanating from his breath and person.

The first task was the Horizontal Gaze Nystagmus. After explaining the instructions, I asked Lane if he understood. He replied yes. I then asked if he had any questions, and he replied, no. In both eyes, I observed equal tracking, lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and onset of nystagmus prior to 45 degrees.

The second task was the Walk and Turn. After explaining the instructions, I asked Lane if he understood. He replied yes. I then asked if he had any questions, and he replied, no. Lane was unable to maintain the starting position and used his arms to balance. After numerous attempts to get into the starting position, Lane attempted the task and only managed to take one step then almost fell backwards. Lane stated it was due to the wind, however, I demonstrated the task two times in the same conditions for him. After multiple attempts, Lane was unable to take more than one or two steps without stepping off line and almost falling over.

The third task was the One Leg Stand. After explaining the instructions, I asked Lane if he understood. He replied yes. I then asked if he had any questions, and he replied, no. Once I told him to start, he lifted his right leg up and counted, "1001, 1002, Fuck! Cunt! Fuck me!" then lost balance. He then lifted his right leg again and counted, "1001, 1002, 1003." After this, 30 seconds had passed so I told him to relax. He then requested to do the task again. I then told him to start again, and he lifted his right leg again and counted "1001,1002,1003,1004,1005,1006" then lost balance. I told him to continue, and he counted "1007, 1008, 1009" then lost balance again. He then continued, "1010, 1011" and lost balance again. I then concluded the task.

The fourth task was the Finger to Nose (L-R-L-R-R-L). After explaining the instructions, I asked Lane if he understood. He replied yes. I then asked if he had any questions, and he replied, no. He showed me he knew what hand was his left and right. He also showed me he knew what his index/pointer finger was, and where the tip of his nose was. On each attempt, he missed the tip of his nose with the tip of his index finger. On his third right, he used his left finger, then used his right finger and said, "oh you got me!"

The fifth and final task was the Rhomberg Alphabet. After explaining the instructions, I asked Lane if he understood. He replied yes. I then asked if he had any questions, and he replied, no. Lane also stated he could recite the English alphabet without singing it or skipping any letters without issue. I then asked if he had any questions, and he replied, no. Lane then sang the English alphabet without skipping any letters, however, I reminded him not to sing it, and he continued to sing the alphabet.

PROBABLE CAUSE STATEMENT

Based on the above information, I developed probable cause to arrest Zachary Lane for DUI. I handcuffed Lane, checked for tightness and proper fit. Ofc. Holloway and Ofc. Owirka conducted a search of Lane`s person. He then placed him into my marked police vehicle, and I transported him to BRPD booking facility to attempt to obtain a breath sample. Ofc. Walker responded as the BAT tech operator. Upon arrival, a 20-minute observation was conducted and then Lane was taken into the BAT room. Upon asking Lane to provide a breath sample, Lane wanted to know what would happen. I then read Lane his Florida Implied Consent Warnings, and then asked Lane if he wished to provide a breath sample. Lane then agreed to provide a sample of his breath for the purposes of determining the alcohol content. Lane provided two samples of 0.193 and 0.201. I then read Lane his Constitutional Warnings, and Lane acknowledged he understood his Constitutional Warnings and agreed to answer my questions. See DUI influence report for further details.

Zachary Lane is being charged with DUI (Enhanced - above 0.15) pursuant to F.S.S. 316.193(4). I issued Lane a DUI citation (#A6LQK6E). Lane was then transported to Palm Beach County Jail without issue.
