The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:
On 12/22/2024, at approximately 2023 hours, the defendant was operating a white Mercedes sedan bearing FL tag JPVF77 (VIN: WDDHF5GB8AA056176). The defendant struck a silver Chrysler bearing FL tag CL41CM (VIN: 2C3KA53G97H658292) from behind. The witness was driving the silver Chrysler and positively identified the defendant as the person that was driving the white Mercedes at the time of the traffic crash (Reference HCSO event 24-1257216, DHSMV crash #26549666). Your Affiant responded to the scene, detected signs of impairment from the defendant, and requested the defendant perform Standardized Field Sobriety Exercises (SFSEs) which the defendant agreed to perform. During the SFSEs, the defendant showed multiple signs of impairment and was subsequently arrested for DUI. The defendant agreed to provide a breath sample to determine her breath alcohol content (BrAC). After a 20 minute observation period was conducted, the defendant provided a sample of her breath, and Breath Tech Yuman Romero ABN 261711 provided me with the results which are as follows: First BrAC sample (.237) ; Second BrAC sample (.250). The defendant was identified via her Florida DHSMV Photograph. The defendant was given DUI citation AA2R8PE which reflects the DUI charge.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
