The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:
On 06/11/2026, at approximately 2148 hours, officers responded to the area of [REDACTED] regarding a single-vehicle traffic crash that had just occurred. Tampa Police Reserve Officer Adkins-Jones was off duty and in the area when he observed the defendant standing next to the driver's door of the vehicle immediately following the crash. Reserve Officer Adkins-Jones then observed the defendant begin walking away from the vehicle and leaving the crash scene. Ofc. M. Landry arrived in the area and observed the defendant, positively identified via Florida Identification Card as Andrew Mavros, walking away from a black Lexus sedan bearing Florida tag "70VCDB". As Ofc. Landry arrived, multiple unnamed witnesses verbally identified the defendant as the driver of the vehicle.
Based on the crash investigation, the Lexus had been traveling northbound on N 40th Street approaching E Hanna Avenue. After traveling through the roundabout at the intersection, the vehicle continued northbound, left the roadway for an unknown reason, and struck the south side of the building located at [REDACTED]

The defendant was the registered owner of the vehicle and immediately after the crash, Reserve Officer Adkins-Jones observed the defendant standing next to the driver's door and then walking away from the vehicle. Ofc. Landry observed no other individuals in or near the Lexus who appeared to have been an occupant or potential driver. Tampa Police Communications also received multiple calls reporting that a subject, with a description matching the defendant, had been driving the vehicle. Ofc. Landry ordered the defendant to stop as he walked westbound away from the crash scene and attempted to enter the convenience store located at 6202 N 40th Street. The defendant ignored Ofc. Landry's repeated commands to stop and continued walking toward the store. He then borrowed a cigarette from a patron and began smoking while continuing to ignore Ofc. Landry's commands. The defendant left the immediate area of the crash without contacting law enforcement or providing the required identifying and vehicle information to the owner or person responsible for the

damaged property, as required by F.S. 316.063. It should be noted that the defendant had a cellular telephone in his possession and had the means and ability to contact law enforcement but failed to do so. Due to the defendant walking away from the crash scene and repeatedly ignoring commands to stop, Ofc. Landry detained him in handcuffs. During the detention, Ofc. Landry located the keys to the vehicle in the defendant's pocket. While interacting with the defendant, Ofc. Landry observed multiple indicators of impairment and requested my assistance with a DUI investigation.

I responded to the scene and contacted the defendant while he was seated in the rear seat of a patrol vehicle. After I introduced myself, the defendant immediately began stating that he had been involved in a crash and was coming from a nearby strip club. I informed the defendant that I was not conducting the crash investigation and was there solely to conduct a DUI investigation. After being advised of his Miranda rights, the defendant provided a statement that he had been at Emperor's Gentlemen's Club, where he became involved in an altercation and left in a hurry. The defendant stated that the crash occurred because the roadway was wet; however, the rain had stopped several hours before the crash. The defendant is the registered owner of the vehicle, multiple officers observing him next to the driver's door immediately after the crash, his actions of walking away from the scene as officers arrived, the absence of another apparent occupant or potential driver, the multiple calls reporting him as the driver, the vehicle keys located in his pocket, and his statements acknowledging the crash and explaining how it occurred positively identified him as the person who had been operating the vehicle at the time of the crash.

During my initial contact, I observed multiple indicators of impairment, including bloodshot, glassy eyes, slurred speech, and the odor of an alcoholic beverage coming from the defendant's breath, growing stronger as he spoke. When asked, the defendant admitted to consuming one alcoholic drink at the club before driving.

Based on my training and experience as a certified Drug Recognition Expert (DRE), I recognized these observations as being consistent with alcohol impairment and requested that the defendant participate in Standardized Field Sobriety Exercises (SFSEs).

Mavros participated in SFSEs and multiple clues of impairment were observed. Based on the totality of the circumstances, the defendant was placed under arrest for DUI and transported to Central Breath Testing. Once at Central Breath Testing, I informed the defendant of implied consent, and he verbally refused to provide the requested lawful breath samples. An E.L.V.I.S. query of the defendant's New York driver's license showed that his driving license had an active suspension on 06/05/2026. Throughout the investigation, the defendant made several spontaneous statements indicating that he had knowledge of the suspension.

The defendant was charged with DUI, Refusal to Submit to Testing, Leaving the Scene of a Crash Involving Unattended Property Damage, and Driving While License Suspended or Revoked and was issued the following citations:

ALQV1SE – DUI
AN91TNE – Leaving the Scene of a Crash Involving Unattended Property Damage
AN91TME – Driving While License Suspended or Revoked
AN91TOE – Refusal to Submit to Testing

The defendant was positively identified via Florida Identification Card.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
