The undersigned swears there are reasonable grounds to believe that the above named defendant in Hillsborough County, Florida, did:

The defendant was driving a gray 2021 Jeep bearing Florida license plate IC04LC. He was traveling west on Kennedy Blvd between Lois and Westshore and was traveling 58 MPH in a posted 40 MPH zone. This was captured by radar. In addition, the vehicle was weaving back and forth multiple times. A traffic stop was made and upon making contact with the defendant he displayed multiple indicators of impairment, to include watery and bloodshot eyes, slurred speech, flushed face, difficulties dividing attention, a drunk-like appearance, a strong odor of an alcoholic beverage on his breath, and an admission to consuming alcohol. The defendant stated he "Drank too much". The defendant performed SFSEs, and multiple clues of impairment were observed. The defendant resisted arrest by trying to pull away and prevent this affiant from handcuffing him. The defendant continued to pull his hands in front of him. Verbal commands were given to him to stop resisting, but he refused to comply. Eventually, handcuffs were placed on him. He later refused to submit to a breath test despite acknowledgment of the Implied Consent Warning. An open container of alcohol was located in the center console of the vehicle (metal flask about 1/3 full of a liquid that smelled like an alcoholic beverage).

The defendant was identified by his FL DL.

Pursuant to Florida Statute §92.525 and under penalties of perjury, I declare that I have read the foregoing document and the facts stated in it are true to the best of my knowledge. For Notices to Appear, I also certify that a complete list of witnesses and evidence known to me is attached.
