Probable Cause Statement

PROBABLE CAUSE STATEMENT

****This incident was captured on my department issued Axon body camera and In Car camera under listed case number****
****Body camera and In Car camera may or may not capture all of the incident described in this report or show all results as observed by Officer James Carter #1817****

Time Requested 0058 hours | Arrival Time 0105 hours | Arrest 0130 hours | Implied Consent N/A

On August 26th, 2026, at or about 0130 hours at 3700 N Federal Hwy which is located within the jurisdictional limits of the City of Fort Lauderdale, within Broward County and the State of Florida, the above-named defendant did commit the violation of Driving Under the Influence of alcoholic beverage (Florida State Statue 316 193) Ashley Borden did, then and unlawfully drive, or was in actual physical control of a motor vehicle, to-wit White Jaguar SUV bearing Florida tag 06FRDF while he was under the influence of an alcoholic beverage to the extent that her normal faculties were impaired or has a breath-alcohol level of 0 08 or more grams of alcohol per 210 liters of breath

On 08/26/2026, I responded to the area of 3700 N Federal Hwy for a D U I Investigation On arrival I met with Officer Feliz De Lol Rosario Officer Feliz De Los Rosario said he responded to this location after PSA D Nelson-Moltimer requested his assistance because she noticed signs of impairment while speaking with Borden during her accident investigation Officer Feliz De Los Rosario said while speaking with Borden he noticed her eyes were glassy, he could smell the odor of an alcoholic beverage, and her speech was slurred

On scene investigation revealed that Borden was the driver and sole occupant of the listed Jaguar when she struck the listed Gray BMW from behind while it was stopped at a red light I spoke with the other party in the crash, and they identified Borden as the driver of the white Jaguar at the time of the crash

Borden was sitting on the center median I asked Borden to stand up so I could speak with her, and she complied While speaking with Borden I could smell the odor of an alcoholic beverage coming from her breath/person and her eyes were red/watery I explained the crash investigation was complete, and I was conducting a criminal D U I Investigation I asked if she understood and at first, she said no so I explained it a second time Borden said she left her house around 10 minutes before the crash and she was on her way to her friend's house in Boca Borden said she was at a podcast event before she went home to change I asked Borden how much she had to drink and she said nothing

I asked Borden if she would submit to a series of field sobriety exercises, which she agreed to perform I asked Borden the following questions prior to starting the field sobriety exercises

Are you sick or injured? No
 Are you diabetic or epileptic? No
 Do you take insulin? No
 Are you under the care of a doctor or dentist? No
 Are you taking any medications? No
 Do you have a physical handicap or any physical alignments? Fainting spells
 Do you wear glasses or contacts? No

Field Sobriety Exercise – Horizontal Gaze Nystagmus

Ft Lauderdale Police Dept - FL

342608149220-1

The first exercise performed was the horizontal gaze nystagmus which was completed using a red pen light stimulus. The directions of the exercise were explained to Borden. I asked Borden if she understood the directions of the exercise which she acknowledged she did. I checked the eyes for equal pupil size, resting nystagmus, and equal tracking. The exercise was performed starting with the subject's left eye and I observed the following clues in the left and right eye,

- Lack of smooth
- Distinct and sustained nystagmus at maximum deviation
- Onset of nystagmus prior to 45 degrees

Total clues observed 6 / 6

Observations Borden was swaying during this exercise

Field Sobriety Exercise – Walk and Turn

The second exercise performed was a divided attention exercise, which was the walk and turn. The walk and turn was performed using an actual line on a flat level dry surface free of debris. The directions of the exercise were explained and demonstrated to Borden at which time I asked Borden if she understood. Borden responded "yes". I instructed Borden to begin the exercise. The following clues were observed,

- Can't keep balance while listening to instructions
- Starts too soon
- Misses heel-to-toe
- Uses arms for balance, raising them over six inches
- Improper turn
- Incorrect number of steps (8 / 8)

Total Clues observed 6 / 8

Observations Borden did not look down at her feet

Field Sobriety Exercise – One Leg Stand

The third exercise performed was a divided attention exercise, which was the one leg stand. The directions of the exercise were explained to Borden at which time I asked her if she understood. Borden responded "yes". Borden was instructed to begin the exercise at which time she lifted her left foot. I observed the following clues,

- Sways while balancing
- Puts foot down

Total Clues observed 2 / 4

Observations Borden kept starting her count over and she stopped the exercise before being instructed to

Field Sobriety Exercise – Finger to Nose

The fourth exercise performed was the finger to nose. The directions of the exercise were explained and demonstrated to Borden, I asked Borden if she understood the directions of the exercise which she responded "yes". The exercise was performed using the sequence left, right, left, right, right, left. Borden performed the exercise, which I observed the following clues,

- Fails to return arms to the side
- Failed to touch nose with index finger

Total clues observed 2 / 4

Observations Borden was swaying

Based on my observations, Borden's normal faculties are impaired by an alcoholic, controlled or chemical substance. Borden was placed into Custody at 0130 hours. I advised Borden that she was under arrest for driving under the influence of alcohol, and/ or a chemical substance, and or a controlled substance. I requested Borden submit to a breath test to determine the alcohol content of her breath and she agreed. Officer Keating conducted the 20-minute observation and Borden provided two valid breath samples of 109 g/210L and 102 g/210L.

Ft Lauderdale Police Dept - FL

342608149220-1

Officer Feliz De Los Rosario transported Borden to the Broward Sheriff's Office Main Jail where she was booked and charged, without incident The vehicle was towed by West Way Towing to West Way Towing's facility
