The undersigned certifies and swears that he/she has just and reasonable grounds to believe, and does believe that the above named Defendant committed the following violation of law. . .

The Person taken into custody . . .  committed the below acts in my presence.  was observed by \_\_\_\_\_ that he/she saw the arrested person commit the below acts.

confessed to \_\_\_\_\_ admitting to the below facts.  was found to have committed the below acts, resulting from my (described) investigation.

On the 22 day of March, 2025 at 03:23 (Specifically include facts constituting cause for arrest.)

On March 21, 2025, at approximately 2151 hours, I was dispatched to 6429 Robinson Street, Jupiter, FL 33458, in my marked patrol vehicle and wearing my agency-issued uniform identifying me as a Police Officer for the Town of Jupiter.

Prior to my arrival, North Communications advised that a female had driven into two parked vehicles. The caller, Erica L. Eklind (W/F, DOB: 08/02/1987), stated she was standing by with the female driver, who was the sole occupant of the involved vehicle. The driver was later identified as Caroline Cascio (W/F, DOB: 05/13/1960) based on her Florida driver's license.

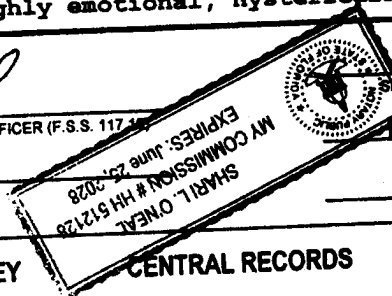

I made contact with the caller, Erica L. Eklind, who provided the following sworn statement: Eklind witnessed Cascio driving a black Chevrolet, Florida tag GNZF82, traveling westbound on Robinson Street when she side-swiped a Tesla Cybertruck, Florida tag PP2HA. Eklind advised that Cascio then put her vehicle in reverse and collided with Eklind's own vehicle, a Chevrolet SUV, Florida tag QQLT30. Eklind knocked on Cascio's window to speak with her, and Cascio subsequently called the Jupiter Police Department for assistance. Eklind notified north communications a strong odor of alcohol coming from Cascio's vehicle and suspected that she was intoxicated.

Upon arrival, I observed that Cascio's vehicle was still in contact with and reversed into Eklind's vehicle. As I approached the driver's side of the vehicle to make contact with Cascio, I noticed a strong odor of an unknown alcoholic beverage coming from her and glossy eyes. Officer Nieves completed the necessary crash report, and I initiated a DUI investigation. I informed Cascio of my concerns regarding her ability to safely operate a motor vehicle and asked her to exit the vehicle for further investigation. As Cascio exited, she used the officers present for balance and struggled to stand on her own two feet. She was highly emotional, hysterically crying throughout the

investigation, and her behavior was unpredictable. She would frequently repeat the same statements and alternate between crying and stopping while answering my questions. I asked Cascio if she had consumed alcohol before operating her vehicle, and she replied that she had consumed two glasses of wine. I inquired where she was headed, and she said she was going to a friend's house on Robinson Street. However, she was unable to provide the friend's address and mentioned she was looking for a "blue house" at the time of the crash. Cascio further explained that she had left her husband's house after a verbal argument and came to the location of the incident. She shared that her husband had hoped she would be pulled over and arrested for a DUI. I then asked Cascio if she would consent to performing the Standard Field Sobriety Tasks (SFSTs), which she agreed to. The SFSTs were conducted on a level driveway and asphalt at the location. Below are the results:

Horizontal Gaze Nystagmus (HGN):

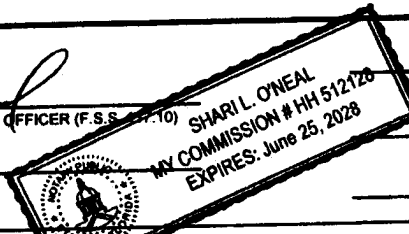

While in the starting position, Cascio swayed back and forth and side to side, struggling to maintain her balance. She was reminded multiple times to keep her head still and follow the stimulus with her eyes. In both eyes, she exhibited a lack of smooth pursuit, distinct and sustained nystagmus at maximum deviation, and onset of nystagmus prior to 45 degrees. Cascio's head movements were abrupt throughout the exercise.

Walk and Turn:

Cascio was unable to complete the Walk and Turn exercise due to her level of impairment. She struggled to assume the starting position and appeared as if she would fall without police assistance. Despite repeated instructions not to begin the exercise prematurely, Cascio attempted to perform the task on her own, stumbling and failing to touch her heel to her toe with each step. She had difficulty staying on a straight line and maintaining her balance. At one point, I believed she was going to fall and I prepared to catch her. I decided to terminate the exercise as it was clear she was too impaired to safely continue.

Based on the above investigation, I placed Caroline Cascio under arrest for DUI at approximately 2344 hours. I handcuffed her, ensuring the cuffs were properly spaced and double-locked for safety. I transported her to Jupiter Medical Center for medical clearance and then to the Palm Beach County Jail Breath Alcohol Testing Center. Cascio was placed under observation for 20 minutes, beginning at 0020 hours. After the observation period, she provided two breath samples: .165 at 0051 hours and .147 at 0055 hours. Cascio was issued a citation for DUI - property damage.

The events and statements described above were recorded on my agency-issued body-worn camera (BWC) and should not be considered verbatim.
